

# THE MOM TEST

The "Mom Test" is what most of us do. We ask people who know us if they like our ideas. Every part of it is wrong.

## THE Solution

Ask about their Specific problems - Not your solution

Ask about their life  
Not your idea

Ask for specific examples in the past  
Not generics / Opinions about the future

Talk less, listen MORE

## THE Problem

Our Idea!

What do you think

Great!

When we share our idea, everyone loves it.

BUT

Why?

People  
Don't  
want  
to hurt  
your feelings

is Good!  
it saves you time

PLEASE!  
like me!

You should  
Add...

Ask questions  
to find underlying motives

few people will  
actually pay for  
it.

or they lie to  
themselves.

Don't ask like  
"I have an AWESOME  
idea - what do you  
think?"

**The Mom Test (summary)** Rob Fitzpatrick,2015 [Summary of The Mom Test - \[Keypoints and Takeaways\]](#) PenZen Summaries,2022-10-05 The Mom Test summary includes the key points and important takeaways from the book The Mom Test by Rob Fitzpatrick The summary of The Mom Test How to Talk to Customers and Learn If Your Business is a Good Idea When Everyone is Lying to You presented here include a short overview at the start and the main points at the end of the summary The Summary of When starting a business the conversations you have with potential customers and potential investors are the two types of conversations that will be most important to the success of your venture The book The Mom Test provides guidance on how to extract the most important information from these meetings and ensure that your company is built on the strongest foundation possible for its future success Disclaimer 1 This is an unofficial summary and not intended to replace the original book 2 In this summary key points are rewritten and recreated and no part text is directly taken or copied from original book 3 The purpose of this summary is to highlight the outline and ideas in original book more effectively and to encourage reader to buy the original book We recommend to buy excellent original book 4 The author or publisher of this summary is not associated in any way with the author or publisher of the original book **The Mom Test** Rob Fitzpatrick,2013-10-09 The Mom Test is a quick practical guide that will save you time money and heartbreak They say you shouldn't ask your mom whether your business is a good idea because she loves you and will lie to you This is technically true but it misses the point You shouldn't ask anyone if your business is a good idea It's a bad question and everyone will lie to you at least a little As a matter of fact it's not their responsibility to tell you the truth It's your responsibility to find it and it's worth doing right Talking to customers is one of the foundational skills of both Customer Development and Lean Startup We all know we're supposed to do it but nobody seems willing to admit that it's easy to screw up and hard to do right This book is going to show you how customer conversations go wrong and how you can do better *Summary of The Mom Test* SellWave Audio,2025-10-17 The Mom Test is a fast practical guide designed to save entrepreneurs time money and frustration by teaching them how to ask the right questions and actually get useful answers The title comes from the classic advice never ask your mom if your business idea is good because she'll lie to you out of love But the deeper truth is that you shouldn't ask anyone if your idea is good That's the wrong question and it leads to false validation every time Customers aren't responsible for telling you the truth it's your job to uncover it In the world of Customer Development and Lean Startup talking to customers is essential yet surprisingly easy to do poorly The Mom Test exposes the common mistakes founders make in conversations asking for compliments instead of facts fishing for validation or letting politeness cloud reality and shows how to flip the script Instead of vague opinions you'll learn how to get clear insights uncover real problems and validate whether people will actually pay for your solution Whether you're a first time founder a product manager or anyone building something new The Mom Test arms you with simple repeatable rules for having better customer conversations With

honesty humor and clarity it teaches you how to stop asking bad questions start listening to what really matters and make smarter decisions that bring your ideas to life [SUMMARY: The Mom Test: How To Talk To Customers Learn If Your Business Is A Good Idea When Everyone Is Lying To You By Rob Fitzpatrick Shortcut Edition,1900](#) **The MOM Test** Rob Fitzpatrick (Emprenedor),2013
