## **The Mystery Of Jesus Christ Theology Textbooks:**

*The Mystery of Jesus Christ* Fernando Ocáriz Braña, Fernando Ocáriz, Lucas F. Mateo Seco, José Antonio Riestra, 1994

Written chiefly for theology students the book presents the authentic teachings of Catholic faith to be found not only in the ancient conciliar sources but also in important recent documents dealing with disputed issues of our times Chapters deal with The hoped for Saviour The Coming of Jesus Christ in the fullness of time The Person of Christ Christ the Way the Truth and the Life Redemption

**The Incarnation of God** John Clark, Marcus Peter Johnson, 2015-03-31 It's the defining reality of all existence the central fact of human history and the heart of the Christian faith God became a man and lived among us More than just part of the Christmas story the doctrine of the incarnation radically affects our understanding of God humanity life death and salvation In The Incarnation of God theology professors John Clark and Marcus Johnson explore this foundational Christian confession examining its implications for the church's knowledge and worship of God Grounded in Scripture and informed by church history this book will help Christians rediscover the inestimable significance of the truth that the Son of God became what we are without ceasing to be the eternal God the greatest mystery of the universe

**The Mystery of Jesus Christ** F. Ocariz, 1994 *The Mystery of Christ* John Behr, 2006 By returning to the methodology of the early Church Fr John Behr a renowned patristics scholar invites readers to approach the mystery of Christ in the same way that the first disciples of Jesus Christ learned theology His vision of Christian theology written in a systematic manner offers a way out of the problems that have beset theology and scriptural study in recent centuries

**BOOK JACKET** *Theology* Alister E. McGrath, 2017-11-23 This highly successful and popular book is now available in a thoroughly expanded and updated new edition Alister E McGrath one of the world's leading theologians provides readers with a concise and balanced introduction to Christianity as it has been interpreted by many of its greatest thinkers and commentators from its beginning to the modern day *Theology* The Basic Readings 3rd Edition comprises sixty eight readings spanning twenty centuries of Christian history To help readers engage with the material each reading is accompanied by an introduction comments study questions and a helpful glossary of terms used by its author Readings are drawn from a broad theological spectrum and include both historical and contemporary mainstream and cutting edge approaches Uses the Apostles Creed as a framework to introduce readers to writings on key issues such as faith God Jesus creation and salvation Represents two thousand years of sustained critical reflection within western Christianity Encourages readers to interact with each text and to engage with primary sources Serves as an ideal companion to the bestselling *Theology* The Basics or as a standalone text *Theology* The Basic Readings 3rd Edition is an essential guide to the topics themes controversies and reflections on Christianity as they have been understood by many of its greatest commentators

**God as the Mystery of the World** Eberhard Jüngel, 2014-11-20 Jüngel sets out to establish a basis for a theology of God the crucified while avoiding the shoals of theism and atheism He warns of the danger rooted in the fact that modernity no longer dares to think God of talking God to death of

silencing God with too much God talk J ngel analyzes what our possibilities are of thinking and speaking God and concludes that theology has to become the narrative of God s humanity This second book in the series helps the reader to gain a more explicit awareness of the contemporary issues J ngel s theology grapples with

**Theological Jesus** Dale C. Allison Jr., Dale C. Allison, 2009-03-09 In this book Dale Allison addresses ongoing historical theological questions concerning Jesus Christ What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts and when personal agendas play such a large role in the reconstructions How much history is in the Gospels and how much history does Christian theology require that there be How does the quest impinge on conventional Christian beliefs and what might it contribute to contemporary theological reflection From publisher s description

**The Unfolding Mystery** Edmund P. Clowney, 2013 Beginning with Adam and Eve and closing with the last of the prophets Dr Clowney takes a fascinating walk through the Old Testament revealing Christ in places where he is usually overlooked

**The Mystery of Christ . . . and Why We Don't Get It** Robert Farrar Capon, 1993-10-19 Widely recognized as a creative insightful writer Robert Farrar Capon offers still more of his uniquely provocative fare in The Mystery of Christ and Why We Don t Get It This engaging book probes the meaning of salvation peace forgiveness grace reconciliation spoken of in the New Testament as a mystery Reminding his readers sometimes in startling ways that salvation is a gift rather than a transaction Capon uses a variety of dialogues to drive home the truth that there is therefore now no condemnation for those who are in Christ Jesus Along the way he explores guilt forgiveness love anger romance grief spiritual contentment the Incarnation reincarnation resurrection and more and manages to make salvation something fresh and new in the process

**The Mystery of Christ** Keith Ward, 2018-03-15 Keith Ward makes complex matters readily accessible Rowan Williams At the heart of Christian faith lies a vision of Christ present at the beginning of creation in the crucified and risen Jesus and at the end of all things This vision retains its ancient power and gains new depth as it is reshaped in the light of our advanced understanding of a vast and evolving cosmos To help us form a truly contemporary Christian spirituality Keith Ward writing in our own time and place rather than the fourteenth century of Julian of Norwich or the twentieth of Thomas Merton offers a set of reflections on what he believes to be the unique and life transforming revelation of God in the person of Jesus Christ And as we explore the spiritual truths relating to this mystery expressed in the Gospels meditation leads naturally to prayer

*The Unfolding Mystery* Edmund P. Clowney, 1988     *God and the Mystery of Human Suffering* Robin Ryan, 2003

**Marriage and the Mystery of the Gospel** Ray Ortlund, 2016-10-13 This mystery is profound and I am saying that it refers to Christ and the church Ephesians 5 32 Marriage reveals something of eternal significance From the beginning God designed marriage to convey a greater reality the passionate unfailing redeeming love of God for sinners the eternal romance between Christ and his bride In this volume Ray Ortlund traces marriage throughout Scripture from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation laying out a transcendent vision of marriage that dignifies

our own imperfect unions as a display of the gospel This book offers insight and hope to every married person today Part of the Short Studies in Biblical Theology series **Mysteries of Faith** Mark McIntosh,2000-01-25 In this volume of The New Church s Teaching Series Mark McIntosh introduces the great mysteries of the Christian faith the doctrines of creation revelation incarnation salvation and eschatology which are all held together by the doctrine of the Trinity To explain these beliefs for Christians today particularly the Trinity McIntosh begins with what we know the language of relationship and mutuality of friendship and family ties The central theme of the book is our relationship with Jesus and our relationship with our neighbor for such mutuality lies at the heart of every doctrine McIntosh s starting point is the fact that every one of us is a theologian for we are all drawn to approach the mysteries of faith with attention and love By drawing on our common experiences as members of a community of faith particularly through the sacraments of baptism and eucharist he helps us to explore these mysteries for ourselves and to see how we might live them in our daily lives As with each book in The New Church s Teaching Series recommended resources for further reading and questions for discussion are included [Jesus the Christ](#) Walter Kasper,1977 A rich and insightful overview of the Christian belief in Jesus his life his teaching and the meaning of Jesus today **Hidden But Now Revealed** G. K. Beale,Benjamin L. Gladd,2014-11-21 This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments As such it is a model for attentive and faithful biblical theology **Jesus Christ Divided** Michael LaFond,2021-09-29 intriguing thought provoking work on the historical and theological development of Christianity BlueInk Review a fascinating read for those interested in early Christian history IndieReader Reviews This thoughtful scholarly work takes Biblical criticism in a unique direction The Book Review Directory A well written reinterpretation of early Christian history Kirkus Reviews LaFond s enthusiasm is infectious He lays out his ideas in the manner of a scholastic mystery The result is a compelling text that ably makes its case Clarion Review The New Testament beyond the Gospels consists of Acts and letters of the apostles including Revelation The real meaning of these texts was hidden because of the way the New Testament was constructed With careful analysis the letters can be reordered chronologically and integrated into an amazing story yielding secrets about early Christianity Symbols such as the First and Second Beasts of Revelation and the Man of Lawlessness can be deciphered We can compare the gospels of the apostles and wonder at a betrayal greater than Judas We can find proof that Jesus survived the crucifixion and resurrection and he taught new and mystical doctrines We will see prefigured in the apostles the ultimate split between Jewish and Gentile Christianity Includes the Didache the Epistle of Barnabas and Paul s Letter to the Laodiceans **The Light of Christ** Thomas Joseph White,2017-09-15 The Light of Christ provides an accessible presentation of Catholicism that is grounded in traditional theology but engaged with a host of contemporary questions or objections Inspired by the theologies of Iranaeus Thomas Aquinas and John Henry Newman and rooted in a post Vatican II

context Fr Thomas Joseph White presents major doctrines of the Christian religion in a way that is comprehensible for non specialists knowledge of God the mystery of the Trinity the Incarnation and the atonement the sacraments and the moral life eschatology and prayer At the same time The Light of Christ also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Touching on the concerns of contemporary readers Fr White examines questions such as whether Christianity is compatible with the findings of the modern sciences do historical Jesus studies disrupt or confirm the teaching of the faith and does history confirm the antiquity of Catholic claims This book serves as an excellent introduction for young professionals with no specialized background in theology who are interested in learning more about Catholicism or as an introduction to Catholic theology It will also serve as a helpful text for theology courses in a university context As Fr White states in the book s introduction This is a book that offers itself as a companion I do not presume to argue the reader into the truths of the Catholic faith though I will make arguments My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable

**Introduction to the Mystery of the Church** Benoit-Dominique de La Soujeole, OP,2014 *Introduction to the Mystery of the Church* is an ecclesiological survey presenting a doctrinal synthesis of the Church The author s intention is to propose an overview of this mystery in connection with the entirety of the Christian mystery The book is divided into two major parts the first presenting the foundations in the Bible and the tradition up to our day and the second being an explanatory proposal introducing the reader to the Church s definition and personality and concluding with an exposition of the four properties enunciated in the Creed one holy catholic and apostolic The value of this way of proceeding is first and foremost in the proposal of a synthesis that allows one to situate each question in its rightful place such study being oriented toward a better overall grasp of the subject As the title suggests the book is an introduction that should allow the reader to apprehend the mystery in its internal coherence in order subsequently with the aid of other texts to be able to enter more deeply into the study of one or other specific point While this ecclesiology treatise is written from a Catholic point of view an ecumenical perspective is often present either through the presentation of divergent views from other Christian confessions or through the proposal for a theological convergence
