**Glory Days** L. Jon Wertheim,2021-06-15 A rollicking guided tour of one extraordinary summer when some of the most pivotal and freakishly coincidental stories all collided and changed the way we think about modern sports The summer of 1984 was a watershed moment in the birth of modern sports when the nation watched Michael Jordan grow from college basketball player to professional athlete and star That summer also saw ESPN s rise to media dominance as the country s premier sports network and the first modern commercialized profitable Olympics Magic Johnson and Larry Bird s rivalry raged Martina Navratilova and John McEnroe reigned in tennis and Hulk Hogan and Vince McMahon made pro wrestling a business while Donald Trump pierced the national consciousness as a pro football team owner It was an awakening in the sports world a moment when sports began to morph into the market savvy sensationalized moneyed controversial and wildly popular arena we know today In the tradition of Bill Bryson s One Summer America 1927 L Jon Wertheim captures these 90 seminal days against the backdrop of the nostalgia soaked 1980s to show that this was the year we collectively traded in our ratty Converses for a pair of sleek heavily branded ingeniously marketed Nikes This was the year that sports went big time
