

Reading Comprehension

Read the short passage and answer the questions.

The Dog and the Shadow

It happened that a Dog had got a piece of meat and was carrying it home in his mouth to eat it in peace. Now on his way home, he had to cross a plank lying across a running brook. As he crossed, he looked down and saw his own shadow reflected in the water beneath. Thinking it was another dog with another piece of meat, he made up his mind to have that also. So he made a snap at the shadow in the water, but as he opened his mouth the piece of meat fell out, dropped into the water and was never seen more.

1. What animal was crossing a board?

2. What did the dog have in his mouth?

3. What did the dog see in the running brook?

4. What is the moral of the story?

 Maine,2015-03-24 Dialogic Readers Children talking and thinking together about visual texts celebrates the sophisticated
 and dynamic discussions that primary aged children can have as they talk together to make meaning from a variety of texts
 and it highlights the potential for talk between readers as a tool for critical and creative thinking It proposes a new dialogic
 theory of reading comprehension that incorporates multi modal media and adds further weight to the argument that talk as a
 tool for learning should form a central part of primary classroom learning and teaching The book explores the language of co
 construction children s critical and creative responses to text the dialogic transaction between text and readers the use of
 language as a tool for creating a social cohesion between readers This significant work is aimed at educational lecturers
 researchers and students who want to explore an expanded notion of reading comprehension in the twenty first century
 realizing how opportunities for children thinking creatively together might transform the potential for learning in the
 classroom It provides a framework for analyzing co constructive talk with suggestions for promoting children s critical and
 creative thinking *Reading Comprehension at Four Linguistic Levels* Clifford Pennock,1979 *How to Measure* Guy
