Women's Film and Female Experience, 1940-1950 Andrea Walsh, 1986-09-10 Women's Film and Female Experience takes a fresh look at a wide range of popular women's films in order to discover what American female consciousness in the 1940s was really about. The author traces the evolution and development of the Hollywood women's film and describes the social history of American women in the 1940s. She then analyzes dominant narrative patterns within popular women's films of the decade: the maternal drama, the career woman comedy, and the films of suspicion and distrust. **Male-female Comedy**

Wiggins, 2015-07-15 Washington DC is best known for its politics and monuments but sport has always been an integral part of the city and Washingtonians are among the country's most avid sports fans. DC Sports gathers seventeen essays examining the history of sport in the nation's capital from turn of the century venues such as the White Lot Griffith Stadium and DC Memorial Stadium to Howard Lincoln Thanksgiving Day football games of the roaring twenties from the surprising season of the 1969 Washington Senators to the success of Georgetown basketball during the 1980s. This collection covers the field including public recreation, high school athletics, intercollegiate athletics, professional sports, sports journalism, and sports promotion. A southern city at heart, Washington drew a strong color line in every facet of people's lives. Race informed how sport was played, written about, and watched in the city. In 1962 the Redskins became the final National Football League team to integrate. That same year a race riot marred the city's high school championship game in football. A generation later, race as an issue resurfaced after Georgetown's African American head coach John Thompson Jr. led the Hoyas to national prominence in basketball. DC Sports takes a hard look at how sports in one city has shaped culture and history and how culture and history inform sports. This informative and engaging collection will appeal to fans and students of sports and those interested in the rich history of the nation's capital. Armco Bulletin American Rolling Mill Co.
