

# Job Description – Technical Writer (2 roles)

---

## Location:

Bristol, Manchester or London (Farringdon).

## Hours of work:

Full time, 40 hours per week, Monday to Friday, between hours of 09:00 - 18:00.

## Start date:

As soon as possible. An indication of the notice period you are required to work out (if relevant) and your earliest possible start date should be identified in your application form.

## About the company:

Eunomia Research & Consulting is an independent environmental consultancy working primarily in the fields of waste management, resource efficiency, low carbon energy, marine planning and climate change mitigation. We employ over 60 members of staff and have offices in Bristol, London, Manchester, Brussels and Auckland; working throughout the UK, other EU member states and beyond.

The business is an exciting one. We are at the leading edge of a number of areas of environmental policy which are critical in the eyes of governments, and we punch well above our weight in terms of influence on public and private sector clients alike.

We are flexible in our approach to service delivery and are able to respond to the particular needs of a range of clients from the private and public sectors. We are appointed advisors to many types of organisations in the UK including national governments and departments, local authorities, project development and technology companies, utilities, private equity funds and lenders. We are also advisors to the European Commission, European Investment Bank (EIB), OECD and UNEP. Our reputation for staying in touch with – and occasionally ahead of – emerging UK and EU policy is therefore second to none.
