**The Daring Exploits of a Runaway Heiress** Victoria Alexander, 2015-04-28 An inheritance inspires a scandalous adventure that may just lead to a passionate love in this historical romp by the 1 New York Times bestselling author To Do Swim naked in the moonlight Play in a high stakes card game Ride an elephant Be painted sans clothing Take a lover Lucy Merryweather has inherited a fortune and her great aunt's list of unfulfilled wishes What better way to honor her memory than by accomplishing as many of them as possible And with Lucy's family an ocean away in New York nothing stands in her way if one ignores the private investigator hired to spy on her Yet Cameron Effington is infuriatingly difficult to ignore As a reporter Cameron is always looking for a good story An American heiress running rampant between Millworth Manor and Mayfair is the perfect subject Not to mention captivating And extremely kissable And if Lucy believes he's a detective Well the truth should never get in the way of a good story or hinder delicious impetuous passion Nobody does Victorian romance hijinks like Alexander Publishers Weekly

**THE LEGEND OF NIMWAY HALL: 1888 - ALEXANDRA** Victoria Alexander, 2020-03-24 1 New York Times Bestselling author Victoria Alexander takes us back to Nimway Hall where magic is as old as time and love is where you least expect it She's given up on love and magic He's going to change her mind Alexandra Hayden the current Guardian of Nimway Hall is having a very bad day Well a very bad year Or two Her third fiancé swindled her out of Nimway's reserve funds she's spent her dowry to help her tenants and everything on the estate is in need of repair Even Nimway Hall itself is starting to look a bit shabby Worse legendary Nimway magic seems to have vanished All her fault of course She simply isn't the guardian she should be Robert Curtis is one of America's wealthiest young captains of industry Now he finds he's inherited a title and an estate But Brynmore Manor is long abandoned and barely standing It's not at all what Robert hoped to use for business and family holidays and not remotely what he wanted What's a rich American viscount to do Buy the estate next door of course Nimway The last thing Alex needs is an arrogant American neighbor What she needs is money and fast To further his acceptance in London society and his business interests Robert could use a well connected wife A marriage of convenience will benefit them both But marriage is not at all the practical sensible arrangement they expected With their annoying attraction and strangely vivid dreams of each other this marriage is anything but convenient And with every passing day and every sleepless night the terms they agreed to are less and less important Still it's going to take a push from Nimway magic to make them finally realize that love is the greatest enchantment of all

Same Time, Next Christmas Victoria Alexander, 2015-12-14 From 1 New York Times bestselling author Victoria Alexander comes a romantic Christmas historical which features the happily ever after story of a fan favorite and how one little impetuous moment can lead to the miracle of love My friends have always considered me the most proper among us But no one was more surprised than I Portia Lady Redwell when I decided to flee the matchmaking efforts of my family to spend Christmas in an enchanting villa on the coast of Italy My admittedly impulsive plans were immediately complicated by the

presence of a certain gentleman Mr Fletcher Jamison who insisted he had a claim on the villa It was only in the true spirit of Christmas that I agreed to share the villa with him His charm his blue eyes as dark as the December seas and the laugh that oddly seemed to fill my soul were not considerations That I returned again for Christmas is due entirely to the charm of the villa and nothing at all to do with the fact that he too would be there My friend Veronica has often said those least likely to bend are most likely to snap It appears I have snapped      *Shakespeare and the Three Kings* Victoria Alexander,2015-11-09 From 1 New York Times bestselling author Victoria Alexander a second chance romance Christmas novella with the naughtiest dogs in England Sir Oliver Stanhope s beloved late great aunt who raised him so devotedly has charged Oliver with the care of her adorable but very naughty Yorkshire terriers Melchoir Balthazar and Gaspar Thankfully she s also arranged for D K Lawrence celebrated dog trainer to the aristocracy to help train the little terrors But when Diana K Lawrence once the love of Oliver s life arrives on his doorstep with her giant Great Dane in tow Oliver wonders how he ll survive the canine chaos and the too close for comfort presence of the only woman to touch his heart and he can t help but wonder if his aunt had something special in mind with her last precious Christmas gift This novella was previously published in the Santa Paws anthology      **Photoplay Movies & Video** ,1982      **Words on Cassette** ,1997      **Paperbacks in Print** ,1966      **To Treasure an Heiress** Roseanna M. White,2022 1906 Beth Tremayne has always been drawn to adventure During her childhood she fed that desire by exploring every inch of the Isles of Scilly Now after stumbling across an old collection of letters and a map buried on her family s property she s found more adventure than she ever anticipated in the hunt for pirate treasure But in order to discover where the clues lead she must search alongside Lord Sheridan a man she finds insufferable Sheridan has spent years pursuing whatever archaeological interests pique his imagination And when he discovers that Beth s search connects with one of his far removed pirate ancestors he can t help getting involved Plus he finds her irresistible even though she insists he stole a prized possession of hers As they work together following different clues and drawing closer to danger they start to piece together a story of tragic love and piratical adventure But which treasure will bring the greatest surprise the one they find in each other or the one just out of their reach      *Daring Darleen, Queen of the Screen* Anne Nesbet,2020-04-14 When a publicity stunt goes terribly wrong twelve year old Darleen Darling star of the silent film era must defeat villains both on screen and off in this edge of your seat adventure Lights Camera Kidnapping It s 1914 and Darleen Darling s film adventures collide with reality when a fake kidnapping set up by her studio becomes all too real Suddenly Darleen finds herself in the hands of dastardly criminals who have just nabbed Miss Victorine Berryman the poor little rich girl heiress of one of America s largest fortunes Soon real life starts to seem like a bona fide adventure serial complete with dramatic escapes murderous plots and a runaway air balloon Will Darleen and Victorine be able to engineer their own happily ever after or will the villains be victorious
