## **The Day My Brain Exploded A True Story:**

**The Day My Brain Exploded** Ashok Rajamani, 2013-01-22 After a full throttle brain bleed at the age of twenty five Ashok Rajamani a first generation Indian American had to relearn everything how to eat how to walk and to speak even things as basic as his sexual orientation With humor and insight he describes the events of that day his brain exploded just before his brother s wedding as well as the long difficult recovery period In the process he introduces readers to his family his principal support group as well as a constant source of frustration and amazement Irreverent coruscating angry at times shocking but always revelatory his memoir takes the reader into unfamiliar territory much like the experience Alice had when she fell down the rabbit hole That he lived to tell the story is miraculous that he tells it with such aplomb is simply remarkable More than a decade later he has finally reestablished a productive artistic life for himself still dealing with the effects of his injury life long half blindness and epilepsy but forging ahead as a survivor dedicated to helping others who have suffered a similar catastrophe

**HELP! I Have A Brain Injury And It Feels Like I've Dropped Out of the Sky** Kay Pratt, C.E.A.P., C.P.C.C., 2017-09-05 WHAT do you know about brain injury How does it happen How does it affect one s life What does it feel like How long does it take to recover from a Traumatic Brain Injury Will a survivor ever be the same again WHAT are your beliefs about the future of someone who s sustained a Traumatic Brain Injury The answers to these questions are as broad and unique as the individual s who have sustained brain injuries In my own experience as a TBI survivor I have come to understand that the degree to which we recover can be measured not only by our physical reality but by our personal and caregiver s belief systems after all if we are cognitively and physically able what we believe shapes our every outcome Kay Pratt In this Book TBI survivors share the answers to these questions and more through the voice of their experience It is with sincere hope that by doing so your understanding and beliefs about brain injured individuals will be broadened and your perspectives enlightened
