**The Death of the Good Wizard** Wim Coleman, Pat Perrin, 2011-03 Middle schoolers Gregory Guest and Yolanda Torres don't expect to use their strange lenses to return to the King Arthur story. But when their friend from that other world goes missing they're afraid he will accidentally destroy their own reality. When the Taker and the Keeper travel back through the eerie tunnel they find themselves in a completely unexpected story and a reality full of new dangers. A fire-breathing dragon seems determined to devour them and Morgan le Fay is up to no good again. Even worse according to the famous story their friend Merlin will die a mysterious death. Must they allow that to happen exactly as foretold? This time Gregory and his friends face danger in both history and legend. **The Idle Brain: A Theological Odyssey** Terrence Bertin, 2021-07-16 Faithless

clergyman Simeon Cole is spirited into the psyche of a comatose dying criminal. His task is to awaken the criminal and combat the legions of demonic forces holding sway in the Inner World. Simeon must pass through many challenges and tribulations with all the Powers of the Inner World bent on his destruction. Accompanied by several companions, fragments of the criminal's own mind, Simeon journeys through the bizarre science fiction and fantasy world made and controlled by the demonic Powers. If he succeeds he can escape the Inner World; failure means his own life. But success also means losing the only real and meaningful friendships he has ever known. It is a fearsome task for a clergyman with no faith and no stomach for adventures. In any case, Simeon must conquer his own flaws and come to terms with his God to emerge as something more.

**Boxing's Strangest Fights** Graeme Kent, 2015-06-04 That boxing has always attracted colourful larger-than-life figures is amply borne out by the bizarre collection of true stories gathered together in this fascinating book. Bringing together the rich history and folklore of the fight game, Graeme Kent, who first became interested in boxing after listening to the tales of his sporting grandmother, has amassed over a hundred events in over 250 years of the sport. These intriguing stories include that of the two boxers who scored a double knockout the bout in which four different decisions were given and the strange tale of the boxer who had part of his ear bitten off as well as many others besides. In compiling this collection, Graeme Kent has interviewed many fighters and followers of boxing and the funny and sometimes tragic tales recounted here provide a rich and offbeat alternative history of this ever popular sport. **Billboard**, 1942-12-05 In its 114th year, Billboard remains the
