

FOUR DISCIPLE MAKING ESSENTIALS

THE WORD OF GOD

Scripture is the curriculum by which God transforms our minds so that we know what to believe, how to think and what teachings we are to obey.

THE PEOPLE OF GOD

Disciples of Jesus in a church community focused on relationships that help people to be disciples and make disciples.

THE MISSION OF JESUS

Jesus' last words become our missional priority as we seek to love others and help them to become disciples and grow to be more and more like Jesus.

THE SPIRIT OF GOD

The transformative power is God's Spirit who works through disciples and disciple making so that we become more and more like Jesus.

The Disciple The Disciple:

The Disciple John Stott, 2019-08-27 How can Christians effectively engage today's world while staying true to Scripture Calling us to listen well to both the Word and the world John Stott shows how Christianity can preserve its authentic identity and remain relevant to current realities In this practical book Stott explores four often neglected aspects of Christian discipleship in light of Scripture

The Disciple Whom Jesus Loved J. Phillips, 2004 The Bible tells us that the disciple whom Jesus loved was the author of the book that is today called the Gospel of John But the Biblical evidence revealed in the scriptures is actually able to prove that this beloved disciple could not have been the apostle John From the Mount of Transfiguration to Jesus raising Lazarus from the dead from the Last Supper to the Garden of Gethsemane this Bible study book answers the question who wrote the Gospel of John who was the disciple that Jesus loved using nothing but God's Word 149 pages including a topical index and a scripture index

The Way of the Disciple Erasmo Leiva-Merikakis, 2003-01-01 This book explores in depth six Gospel scenes so as to discover in these the essential elements of Christian discipleship It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God's hands so that God can impress upon us any form he chooses It also contemplates the vital position of the Mother of the Lord in the life of his disciples The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15 What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration These are what must be at the heart of a disciple's life which can never be swept up by mere activism

The Disciple Lucy Peppiatt, 2012-10-12 In *The Disciple* Lucy Peppiatt addresses the question of what it means to become like Jesus in the context of our everyday lives Through the gifts of the Word and the Spirit our communities and our circumstances in life God forms us into the likeness of his Son and leads us into a life of freedom in relationship with the Father where we experience what it means to become truly and fully human *The Disciple* brings together theological depth stories from Scripture and examples from everyday life to paint a picture of the dynamic work of God in our lives and how we might respond to his work so that we are brought into the richness and reality of the life of the kingdom Following Jesus means being apprenticed and schooled in the ways of freedom and the fullness of life *The Disciple* combines theology and practice including suggestions of how to respond in practical ways as individuals and in our communities to the calling of God on our lives to follow him

The Disciple of Christ, 1884 *Jesus Christ, Disciplemaker* Bill Hull, 2004-02-01 Thomas doubted Peter denied Matthew had a shady past And most of Jesus' disciples had trouble understanding his true message and mission at times How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived And how can modern church leaders empower regular church members to meet their potential as servants of God In *Jesus Christ Disciplemaker* Hull outlines Christ's methods in training his twelve disciples and presents a biblical

pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases: evangelizing, establishing, equipping, and leading, Hull shows how these principles can be adapted for any discipler. Jesus Christ Disciplemaker is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

The Beloved Disciple Beth Moore, 2003-08-01 John the apostle must have thought he had seen everything. Having been with Jesus all the years of his ministry, John witnessed more miracles than he could count, saw more displays of power than he could comprehend, and experienced more love than he could fathom. And one unforgettable morning, young John outran Peter to his Savior's empty tomb. Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. The bridegroom's love is unmatched and inexhaustible, and He is waiting to lavish it on you, His beloved.

The Disciple Whom Jesus Loved Edward Reaugh Smith, 2000-08-12 lectures in various cities March 21 July 11 1922 CW 211 We must understand that if we relate only to dead matter, we ourselves become dead and ahimanic, but if we have sufficient courage and love for all the beings around us to relate to them directly, not to our dead ideas about them, we discover the Christ in everything and victorious spirit everywhere. When this happens, we may need to speak in ways that seem paradoxical to our contemporaries. We may need to speak about the individual spiritual beings that live in the solid and fluid elements and so forth. As long as we avoid talking about these beings, we are talking about a dead science that is not imbued with the Christ. To speak about them is to speak in a truly Christian sense. We must imbue all of our scientific activity with the Christ. More than that, we must also bring the Christ into all of our social efforts, all of our knowledge, in short, into all aspects of our life. The Mystery of Golgotha will truly bear fruit only through human strength, human efforts, and human love for each other. In this sense, Anthroposophy in all its details strives to imbue the world with the Christ. Rudolf Steiner. These lectures were given midway between World War I and Steiner's death in 1925. They will be of particular interest to anyone wanting to comprehend Rudolf Steiner's mature understanding of his mission: enchristing the world. The first two lectures constitute a call to arms or return to basics. Steiner speaks existentially and phenomenologically, building upon recognizable descriptions of actual experiences. His theme is the three states of consciousness: waking, dreaming, and dreamless sleep, and he shows how these ordinary human functions have initiatory possibilities. The next four lectures deal with the evolution of consciousness in relation to the universal significance of the Christ event. Through the resurrection, Christ's being entered earthly evolution. As a result, we see the world differently. Where ancient humanity experienced "Not I but the divine spirit around me," we can experience "Not I but the Christ in me." With this insight, we reach the heart of this volume: esoteric Christianity. For Steiner, our most important task as human beings is to learn to overcome death by uniting with the Christ who overcame death. Humanity's survival depends upon the enchristing of the world. It is the purpose of Anthroposophy to bring this reality into world evolution, to enable all religions and all human beings to experience the new reality. The Sun Mystery and the Mystery of Death and Resurrection is the first complete English translation of *Das Sonnenmysterium und*

das Mysterium von Tod und Auferstehung Exoterisches und esoterisches Christentum GA 211 Eight lectures were published in an earlier English translation as part of Festivals and their Meaning II Easter 1956 Cover image Burial by Ninetta Sombart

The Disciple's Journal Douglas Morrell, J. Daniel Smith, 1996-05 *The Disciple Whom Jesus Loved* Dave King, 2013-09
During his time with Jesus Christ the Apostle John knew Jesus love and was prepared for the mission that he was to have in his life In this study of I II and III John we can see how his time with Jesus affected what he communicated to churches some sixty years later encouraging them to continue to follow Christ and avoiding the dangers of other philosophies of the day

The Making of a Disciple Kenneth S. Todd Jr., 2015-07-27 In the Great Commission found in Matthew 28 19 20 Jesus said Go therefore and make disciples of all nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I have commanded you and lo I am with you always even to the end of the age The two questions each believer must ask are What constitutes being a disciple of Jesus And am I really striving to be the disciple Jesus wants in His followers The purpose of this book is to address certain key issues that a Christian should be fully acquainted with if he or she is to be an obedient disciple and observe what Jesus commanded **The Disciple Whom Jesus Loved** J. Phillips, Lisa Sweeney, 2000-12-01 The Bible tells us that the disciple whom Jesus loved was the author of the book that is today called the Gospel of John But the Biblical evidence revealed in the scriptures is actually able to prove that this beloved disciple could not have been the apostle John From the Mount of Transfiguration to Jesus raising Lazarus from the dead from the Last Supper to the Garden of Gethsemane this Bible study book answers the question who wrote the Gospel of John who was the disciple that Jesus loved using nothing but God's Word 149 pages including a topical index and a scripture index **Disciple-To-Disciple** Frederick Osborn, 2014-12-12 Being a Disciple is only part of what we have been called to we have also been called to go and make disciples This is the Great Commission being salt and light to the world as we make disciples The intended result of being salt and light to the world is to go and make disciples Disciples making disciples is an integral part of the kingdom As disciples teach they are being taught by the Master Disciple to Disciple book and study guide is actually the third in an informal series of teachings on the Kingdom The first in the series is This Gospel of the Kingdom The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God The second book and study guide in the series is called Kingdom Discipleship Kingdom Discipleship defines the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple Only disciples make disciples and in this part of the series on the Kingdom of God we will set aside some time to learn how Jesus the Master Teacher taught His disciples Disciple to Disciple is an in depth study guide on how Jesus taught His disciples It can be used with or without the book to help us understand how Jesus taught His disciples so that we can be more effective in how we teach others to be like Christ If we teach others to become faithful disciples of Jesus Christ then we will do more than teach them to be mere imitations of their Master but will teach them to be like Jesus in every way When disciples make disciples all will be

transformed by the Master And so the process of making disciples who are like Jesus in character and conduct will continue with each new generation of believers The Disciples in the Fourth Gospel Nicolas Farely,2010 Revised version of the author s thesis doctoral University of Gloucestershire 2009 **Disciple I Becoming Disciples Through Bible Study: Study Manual** Richard B.
