The Dragon and the Raven G.A. Henty, 2020-07-16 Reproduction of the original The Dragon and the Raven by G A Henty

**The Dragon and the Raven by G. A. Henty** G. Henty, 2017-10-16 The Dragon and the Raven by G A Henty The Dragon and the Raven G. A. Henty, 2002-12-01 In the days of King Alfred when the whole country of Britain was for years overrun by hordes of pagan barbarians who slaughtered plundered and destroyed at will From this terrible state of subjection and suffering the Saxons were rescued by the prudence the patience the valor and wisdom of King Alfred In all subsequent ages England has produced no single man who united in himself so many great qualities as did this first of great Englishmen He was learned wise brave prudent and pious devoted to his people clement to his conquered enemies He was as great in peace as in war and yet few know the tale of Alfred s reign *The Dragon and the Raven* G. Henty, 2017-08-20 The Dragon and the Raven by G A Henty 1880 *The Dragon and the Raven* G. A. Henty, 2018-02-13 Excerpt from The Dragon and the Raven Or the Days of King Alfred Tax Massscss AT Csormn IV Tan Invasion or Wnssn V A Drsormvxn band Tan Saxon L oar Tn Damon Tn Camera or ran Damon A Parsons X Tm Comr XI Tan lens or Armwrr Foss Yams or Pnca Tan Sims or paris XIV Ts Rnrursn or m Nonsmmr XV Fumes ui Taouan XVI Farm XVII A Leno Cases XVIII Farm Discount XIX Urn ran About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Dragon and the Raven; Or, the Days of King Alfred G. A. Henty, 2014-05-27 Living in the present days of peace and tranquillity it is difficult to picture the life of our ancestors in the days of King Alfred when the whole country was for years overrun by hordes of pagan barbarians who slaughtered plundered and destroyed at will You may gain perhaps a fair conception of the state of things if you imagine that at the time of the great mutiny the English population of India approached that of the natives and that the mutiny was everywhere triumphant The wholesale massacres and outrages which would in such a case have been inflicted upon the conquered whites could be no worse than those suffered by the Saxons at the hands of the Danes From this terrible state of subjection and suffering the Saxons were rescued by the prudence the patience the valour and wisdom of King Alfred In all subsequent ages England has produced no single man who united in himself so many great qualities as did this first of great Englishmen He was learned wise brave prudent and pious devoted to his people clement to his conquered enemies He was as great in peace as in war and yet few English boys know more than a faint outline of the events of Alfred s reign events which have exercised an influence upon the whole future of the English people School histories pass briefly over them and the incident of the burned cake is that which is of all

the actions of a great and glorious reign the most prominent in boys minds In this story I have tried to supply the deficiency

**The Dragon and the Raven** G. A. Henty,2013-05-17 The fortifications in those days were very far from having attained the strength and solidity which a few generations later were bestowed upon them The stones of which they were constructed were comparatively small and fastened together by mortar consequently they could ill resist even an assault by manual weapons Covered by their shields the Northmen worked untiringly at the foundations and piece by piece the walls crumbled to the ground Every effort however to enter at the breaches so made was repulsed and Siegfroi kept back his warriors determined to delay the grand assault until the next day By nightfall the tower was in ruins scarce a portion of the walls remaining erect Many of the besieged had been killed The archbishop was wounded with an arrow Frederic a young soldier who led the troops of the church was killed

**The dragon and the raven** GA Henty,2013-08-12 An unputdownable exciting tale for young adults and their parents since the reign of Queen Victoria Great for history learners too

**The Dragon and the Raven; Or, the Days of King Alfred** G. A. *The Dragon and the Raven; Or, the Days of King Alfred* G. A. Henty, 2018-10-26 George Alfred Henty 8 December 1832 16 November 1902 was a prolific English novelist and war correspondent He is best known for his historical adventure stories that were popular in the late 19th century His works include *The Dragon* *The Raven* 1886 *For The Temple* 1888 *Under Drake's Flag* 1883 and *In Freedom's Cause* 1885 G A Henty was born in Trumpington near Cambridge He was a sickly child who had to spend long periods in bed During his frequent illnesses he became an avid reader and developed a wide range of interests which he carried into adulthood He attended Westminster School London and later Gonville and Caius College Cambridge where he was a keen sportsman He left the university early without completing his degree to volunteer for the Army Hospital Commissariat when the Crimean War began

***The Dragon and the Raven*** G. A. Henty, 2011-12-23 Young Edmund and his friend Siegbert are forced to flee for their lives after an invading horde of Danes kills Edmund's father and occupies their homeland Hoping to lift the yoke of the Northmen the young Saxon enlists under the Golden Dragon banner of King Alfred the Great While Edmund trains the Saxons in sound fighting tactics he realizes that the key to victory rests on meeting the enemy in battle at sea With the help of King Alfred Edmund constructs a ship that is the match of any Danish Black Raven vessel He names the ship *the Dragon* Will Edmund Siegbert and the crew of the *Dragon* find success against great odds Will the Saxons find a way to stem the invasion of the Danes and reclaim their land These and other questions will be answered in *The Dragon and the Raven* by G A Henty Set in ninth century England Norway and mainland Europe this book includes more than 60 geographical historical and explanatory footnotes to aid the modern reader

***The Dragon and the Raven*** George Alfred, 2018-06-28 *The Dragon and the Raven* by G A George Alfred Henty CHAPTER I THE FUGITIVES A low hut built of turf roughly thatched with rushes and standing on the highest spot of some slightly raised ground It was surrounded by a tangled growth of bushes and low trees through which a narrow and winding path gave admission to the narrow space on which the hut stood The ground sloped rapidly Twenty yards from the house the trees ceased and a rank vegetation of reeds and rushes

took the place of the bushes and the ground became soft and swampy A little further pools of stagnant water appeared among the rushes and the path abruptly stopped at the edge of a stagnant swamp though the passage could be followed by the eye for some distance among the tall rushes The hut in fact stood on a hummock in the midst of a wide swamp where the water sometimes deepened into lakes connected by sluggish streams On the open spaces of water herons stalked near the margin and great flocks of wild fowl dotted the surface Other signs of life there were none although a sharp eye might have detected light threads of smoke curling up here and there from spots where the ground rose somewhat above the general level These slight elevations however were not visible to the eye for the herbage here grew shorter than on the lower and wetter ground and the land apparently stretched away for a vast distance in a dead flat a rush covered swamp broken only here and there by patches of bushes and low trees We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**The Dragon and the Raven** G. A. Henty, 2017-11-07 G A HENTY 1832 1902 During the reign of King Alfred Danish forces have invaded the English countryside Although the English try to repulse these attacks they are overrun by the savagery and sheer numbers of the Danes One of those deeply touched by these attacks is young Edmund As a boy he watched as his father was slain in battle fighting the Danes Although young he was intelligent and noted the mistakes made on the battlefield As he grew into a man he put that knowledge into use and created a uniquely trained group of soldiers and built a new stronger ship called the Dragon

The Dragon and the Raven G. A. Henty, 2002-12 In a time of chaos and Viking onslaught Alfred the untested Saxon king must fight to save his ravished land The tale unfurls through the eyes of a young thane Edmond who becomes Alfred s friend and mightiest warrior When Danes over run the land and the Saxons capitulate this young knight trains and leads a devoted corps of pike men to recapture the kingdom

*The Dragon and the Raven Illustrated* George Henty, 2021-02-28 This is an historical novel about the Vikings taking over England and how the Saxons fought and lost until King Alfred unites them G A Henty was a Victorian with a passion for history He has written many books which I understand from other sources are very well researched and provide a good understanding of each portion of history The writing is old fashioned but is all the more enriched because of this It is not a simplistic read but is very accessible I am reading this aloud to my 9 year old who is fascinated and engrossed in the story which thunders along with a good pace and keeps the interest Most of his books have a

main character of a young boy which also allows an easier hook into the story for both adults and children Whilst this one is about battles and warfare it does not dwell unduly on gore or terror

**The Dragon and the Raven; Or, The Days of King Alfred** G. A. Henty, 2019-11-21 In *The Dragon and the Raven Or The Days of King Alfred* G A Henty illuminates a pivotal era in English history the struggle against Viking invasions during the ninth century Combining meticulous research with a vivid narrative style Henty weaves a tale that is both engaging and educational The novel is characterized by its blend of thrilling adventure and historical detail embodying the Victorian literary context that favored didactic storytelling Through rich descriptive prose Henty brings to life the formidable figure of King Alfred the Great capturing the valor politics and societal upheaval of the time G A Henty was a prolific writer and war correspondent whose experiences in various conflicts informed his storytelling Born in 1832 Henty's deep fascination with history and adventure was evident from an early age as he had a strong desire to inspire young readers with tales of bravery and heroism His dedication to historical accuracy stemmed from a belief in the formative power of literature for children making *The Dragon and the Raven* a notable addition to his oeuvre of historical fiction This book is highly recommended for readers who appreciate a well crafted historical narrative infused with action and valor Henty's unique ability to meld excitement with education makes this tale not only a captivating read but also a profound exploration of a defining moment in England's past appealing to both young readers and adults alike

*The Dragon and the Raven* G. A. Henty, 2016-07-31 G A Henty was born in Trumpington near Cambridge He was a sickly child who had to spend long periods in bed During his frequent illnesses he became an avid reader and developed a wide range of interests which he carried into adulthood He attended Westminster School London and later Gonville and Caius College Cambridge where he was a keen sportsman He left the university early without completing his degree to volunteer for the Army Hospital Commissariat when the Crimean War began He was sent to the Crimea and while there he witnessed the appalling conditions under which the British soldier had to fight His letters home were filled with vivid descriptions of what he saw His father was impressed by his letters and sent them to *The Morning Advertiser* newspaper which printed them This initial writing success was a factor in Henty's later decision to accept the offer to become a special correspondent the early name for journalists now better known as war correspondents Shortly before resigning from the army as a captain in 1859 he married Elizabeth Finucane The couple had four children Elizabeth died in 1865 after a long illness and shortly after her death Henty began writing articles for the *Standard* newspaper In 1866 the newspaper sent him as their special correspondent to report on the Austro Italian War where he met Giuseppe Garibaldi He went on to cover the 1868 British punitive expedition to Abyssinia the Franco Prussian War the Ashanti War the Carlist Rebellion in Spain and the Turco Serbian War 4 He also witnessed the opening of the Suez Canal and travelled to Palestine Russia and India

*The Dragon and the Raven: Illustrated Edition* G. A. Henty, 2021-08-25 This book is also known as *The Days of King Alfred* The story is set in the late 9th century during the rule of Alfred The Great The story follows the

adventures of the fictional character Ealdorman Edmund as he and King Alfred fight against Danish Viking invaders
