have to sound professional whether you're applying for a job or anything else. You're just going to have to know how to use a good vocabulary.

**Teaching Reading to English Language Learners, Grades 6-12** Margarita Calderon, 2007-05-18  
 This book should be in the hands of every middle and high school teacher serving not just ELL students but all students who need help increasing their speaking, reading, and writing skills. Jane Escobedo, Director, English Language Learner Services, Sonoma County Office of Education, CA. For ELL students to succeed academically, effective teaching strategies and best practices must be demonstrated in the classroom. This book provides a detailed map for helping to ensure success for all students. Daniel S. Hamada, Superintendent, Kauai Complex Area, HI. A powerful array of field-tested literacy tools for closing the achievement gap. No longer confined to just a few states, English Language Learners (ELLs) present a growing challenge for schools and school districts across the country. *Teaching Reading to English Language Learners, Grades 6-12* provides a comprehensive and systematic framework for developing literacy skills and accelerating language development. With funding from the Carnegie Corporation and the U.S. Department of Education, author Margarita Calderon has developed a research-based approach to expediting reading comprehension that results in higher test scores not just for ELLs but for all students. This practical guide is full of ready-to-use tools including Lesson templates, Rubrics, Sample lesson plans in mathematics, science, language arts, and social studies; Descriptions of successful programs; Professional development designs. Without strong reading skills, students will never reach their full potential. But now this remarkable book offers a rigorously tested, NCLB-aligned instructional model for improving reading in all content areas. Designed primarily for middle and high school teachers of English, science, math, and social studies, this book will also be a valuable resource for middle and high school principals, literacy coaches, and content curriculum specialists.

**Handbook on the Science of Early Literacy** Sonia Q. Cabell, Susan B. Neuman, Nicole Patton Terry, 2024-04-25  
 Synthesizing the best current knowledge about early literacy, this comprehensive handbook brings together leading researchers from multiple disciplines. The volume identifies the instructional methods and areas of focus shown to be most effective for promoting young children's PreK-2 growth in reading, writing, oral language, and the connections among them. In 33 chapters, the Handbook covers conceptual foundations, development, and instruction of both code- and meaning-related literacy skills, professional development, and family engagement supporting equity across populations and learning beyond traditional boundaries, including digital and out-of-school contexts. Highlighted throughout are issues around access to high-quality instruction, working with multilingual populations, and data-based decision making and interventions.
