## **Weekly Ad Cash App Review:**

*Learn Sales* Malik Jordan, 2020-03-21 This is a short book that is designed for people who are complete newbies when it comes to selling in the 21st Century. My name is Malik McCotter Jordan. I am an American soldier and the author of this book. I have been selling products and services since 2012. Over the years, I have acquired a massive amount of knowledge about sales, and I condensed everything I know about selling into this book. I went through trial and error to learn what I know now. So when you read this book, you will be able to avoid all of the mistakes I have made in the past. I am confident that this is a very valuable book about sales because not only does it teach you about selling, but it also teaches you how to not come off as pushy, annoying, or downright sleazy while you're selling things to people. That is something I know a lot of people would like to learn how to do. I understand that you are a busy person and that due to today's economy and job market, no one really has the time nor the attention span to be reading 200-page books about sales. I know that you want to learn this skill without wasting time reading a bunch of information that you really don't need, so I decided to take initiative and make this book as short as I could without compromising its value and practicality. I am NOT a sales GURU. Or any type of person that is trying to sell you a dream. I'm just a guy that learned a skill and I want to share what I know about this skill with you. That's all. If you're skeptical, then I don't blame you. I would be too. There's a lot of scammers on the internet, and they have made it extremely hard for you to trust people online. So with that being said, I'm going to make you an offer that will be difficult for you to refuse. If you believe this will add value to yourself and your future, then purchase this book today, and if you are not satisfied with this book within the first 7 days, then you can get a refund, no questions asked. There is no risk involved. For less than what you would spend on a cup of coffee from Starbucks, you can own this book. Unlike an overpriced cup of coffee from Starbucks, this book will teach you the basics of selling. Learning how to sell will give you the ability to buy as many cups of coffee as you want. Start learning the sales techniques that work in the 21st century today. If you want to know how to learn how to sell without being too salesy, then this book will help you out with that. **CALL TO ACTION** If this is something you are interested in because you think it will help you out, then you should buy *Learn Sales: The Beginner's Guide For Selling in the 21st Century*. Censored today, risk-free. If you're not satisfied with this book within the first 30 days, then you can get your money back, guaranteed, no questions asked. Begin your journey on discovering new possibilities with *Learn Sales: The Beginner's Guide For Selling in the 21st Century*. Censored today. Act fast because the price of this book will not be this low forever.

**Fiverr.com Sales** Malik Jordan, 2020-03-21 In *Fiverr.com Sales: How To Get Sales on Fiverr.com*, Malik Jordan shows you how you can earn money online using Fiverr.com. If you want to learn how to get started with selling on Fiverr.com and how you can actually get sales, then this is the book for you. The good news is this book is short and cheap. The bad news is that this book is not for everyone. Earning money on the internet may be easier than earning money in real life, but it is still a challenge and will take time. This is not the book for you if you are unwilling to actually do the work. Don't waste your

time reading this book if you expect to earn money on Fiverr.com overnight. That's just plain unrealistic. The information in this book will only work if you are patient. This is the book for you if you want to learn how to get your first sale, how to earn extra money on the side, how to deal with clients, how to gain a competitive advantage that will separate you from the competition, and how to get access to the money you earned on Fiverr.com. **CALL TO ACTION** If this is something you are interested in because you think it will help you out, then you should buy *Fiverr.com Sales: How To Get Sales on Fiverr.com* today, risk-free. If you're not satisfied with this book within the first 30 days, then you can get your money back, guaranteed. No questions asked. Begin your journey on discovering new possibilities with Fiverr.com Sales: How To Get Sales on Fiverr.com today.
