Intermediate Accounting Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2022-04-26 Intermediate Accounting by Donald Kieso, Jerry Weygandt and Terry Warfield has always been and continues to be the gold standard. Through significant updates, the 18th Edition presents a refreshed, accessible, and modern approach with new perspectives that help connect students to the what, the why, and the how of accounting information. In the intermediate accounting course, it can be difficult for students to understand the technical details and retain and recall core course topics. To move beyond basic understanding, students work through new integrated practice right at the point of learning and high quality assessment at varying levels, helping them to learn concepts more efficiently and create connections between topics and real world application.

Throughout the course, students also work through various hands on activities including Critical Thinking Cases, Excel Templates and Analytics in Action problems all within the chapter context. These applications help students develop an accounting decision making mindset and improve the professional judgement and communication skills needed to be successful in the profession. With Intermediate Accounting 18th Edition, you will be able to spark efficient and effective learning, help create the bridge to student success and inspire and prepare students to be the accounting professionals of tomorrow.

J.K. Lasser's Your Income Tax 2026, Professional Edition J.K. Lasser Institute, 2026-02-10 The leading desk reference for US personal income tax return preparation for professionals. In J.K. Lasser's Your Income Tax 2025 Professional Edition, a team of veteran tax preparers and educators delivers an intuitive and comprehensive roadmap to helping your clients prepare their 2025 US personal income tax returns. In the book, you'll learn how to maximize your clients' deductions and credits, legally shelter their personal income, and minimize their tax bills. The authors have included sample 2025 tax forms, brand new tax law authorities with citations, binding IRS rulings, filing pointers, and tax planning strategies you can implement immediately to better serve your clients. Fully updated to reflect the changes to the 2025 tax code, this book provides the step-by-step instructions, worksheets, and forms you need to prepare your clients' taxes ethically and effectively. You'll also find discussions of what it's like to practice before the Internal Revenue Service as an Enrolled Agent, strategies for identifying the best approach to tax planning based on your client's financial situation, checklists, and sample forms to make preparing your next return simple and straightforward. Perfect for practicing and training Certified Public Accountants and Enrolled Agents, J.K. Lasser's Your Income Tax 2026 is the gold standard desk reference for tax preparers serving individuals in the United States.
