Hughes,2022-01-06 In Teaching for Spiritual Formation church historian and experienced Christian educator Kyle R Hughes advances a fresh vision of Christian teaching and learning by drawing upon the riches of the Christian tradition synthesizing the wisdom of the early church fathers with contemporary efforts to cultivate a distinctively Christian approach to education Of interest to a wide range of Christian educators this book examines how the writings of five significant church fathers can illuminate our understanding of the vocation of teachers the nature of students the purpose of curriculum decisions about pedagogy and how spiritual formation works Besides reimagining these aspects of Christian education Hughes also offers habits and practices that can help bring this vision of Christian teaching and learning to life challenging Christian educators to sharpen their approach to the integration of faith and learning in practical and accessible ways **Teaching for Spiritual Growth Doorways to the Heart and Soul of Young People** Michael Carotta,1999 **The Christian Educator's Handbook on Spiritual Formation** Kenneth O. Gangel,James C. Wilhoit,1998-02-01 Provides the help Christians need to understand and pursue spiritual growth Spiritual Maturity J. Oswald Sanders,2007-07-01 Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these concise chapters J Oswald Sanders explores the primary source of

explores the classic Disciplines or central spiritual practices of the Christian faith Along the way Foster shows that it is only by and through these practices that the true path to spiritual growth can be found Dividing the Disciplines into three movements of the Spirit Foster shows how each of these areas contribute to a balanced spiritual life The inward Disciplines of meditation prayer fasting and study offer avenues of personal examination and change The outward Disciplines of simplicity solitude submission and service help prepare us to make the world a better place The corporate Disciplines of confession worship guidance and celebration bring us nearer to one another and to God Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities and how they can help us shed our superficial habits and bring the abundance of God into our lives He offers crucial new insights on simplicity demonstrating how the biblical view of simplicity properly understood and applied brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that can be shared with others The discussion of celebration often the most neglected of the Disciplines shows its critical importance for it stands at the heart of the way to Christ Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth

Organic Disciples Kevin G. Harney, Sherry Harney, 2021-12-28 Could sharing your faith be the secret to developing your spiritual maturity For many followers of Jesus discipleship means doing certain things to deepen our connection with Jesus Christ But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message Taking a holistic approach that unites evangelism and discipleship Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world In Organic Disciples the couple lead ordinary followers of Jesus through seven markers of spiritual maturity showing how simple shifts in our Bible reading prayer community life giving service and other biblical practices can connect us with God's work of reaching people with his love You'll learn Why true spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus How to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity How to design a personal pathway of growth to be more like Jesus in character and mission Along with the Organic Disciples book churches and individuals can utilize a free self directed online tool at OrganicOutreach.com to help each person identify where they are in their growth journey Also look for eight session small group curriculum Organic Disciples Study Guide 9780310139089 to take congregations and Christians deeper on this journey
