Teaching Reading in a Title I School, K-3 Nancy Akhavan,2013-01-28 Originally published under the title The Title I teacher s guide to reading K 3 c2008    *The Title I Teacher's Guide to Teaching Reading, K-3* Nancy L. Akhavan,2008 Offers practical advice to developing reading skills in the kindergarten through third grade classroom focusing on the challenges of Title I schools    Teaching Writing in a Title I School, K-3 Nancy L. Akhavan,2009 You know the challenges In your Title I school you have students who are already at risk Imagine what could happen if you could catch them up forestall learning issues before they are entrenched put them on equal footing with their peers Nancy Akhavan has done it in school after school In Teaching Writing in a Title I School she shows you how to craft a rich literacy world where all your students thrive The first step you can take is to teach them to write Really Teaching children to write well is the key to helping them express themselves It s also a scaffold to guide their thinking and understanding It just might solve your teaching problems You can ensure that all children learn and you can close the achievement gap Nancy s guidance is as practical as it is effective Her carefully crafted planning tools lessons and graphic organizers make writing workshop fit seamlessly into your day Her classroom workshop routines promote student engagement and provide focus You ll learn how to organize units of study using the lessons from your existing writing program State standards and meaningful assessment suddenly become manageable You ll also find effective intervention activities for students who struggle and tips for teaching English learners to write This book is a must have resource for teaching to engage all your students ensure learning and effectively intervene when students need it With its companion Teaching Reading in a Title I School individual teachers teachers studying together in professional learning communities and preservice teachers will find the tools they need to build literacy instruction that guides all their students to high achievement    *Teaching in a Title I School Bundle* Nancy Akhavan,2009-08-15

**How to Align Literacy Instruction, Assessment, and Standards** Nancy L. Akhavan,2004 In this book Nancy Akhavan details the stories and strategies that enabled her school to move from under performing status to one in which students achieve and teachers have a whole new understanding of targeted instruction sensitive assessment and meaningful curriculum There is much to appreciate in what she says from her attention to thinking small and understanding the power of the details her emphasis on planning and goal setting to the seriousness with which she takes the standards and incorporates them into the life of the classroom Drawing on the work of the best in the business Lucy Calkins David and Yvonne Freeman and Tony Alvarado Akhavan made professional development the heartbeat of her school as she helped her faculty understand that their work begins and ends with continuous assessment of their students Now she helps readers of her book learn how child centered assessment leads to strategic instruction how to best support multilingual learners how to organize for yearlong learning how to think through precise workshop instruction in minilessons how to develop meaningful curriculum around units of study how to create a vibrant school community where standards and accountability stem from

regular assessment and examination of instructional practices Akhavan provides immediately useful information for any elementary teacher principal or curriculum developer Read her book and understand how to use standards as a way to connect meaningful instruction to students not as a bar that students have to reach or a barrier to real teaching and learning
