Business Nice Teams Finish Last Brian Cole MILLER, 2010-05-15 Don't rock the boat. Don't make waves. Don't offend anyone. There's a palpable feeling that clouds many team meetings and keeps them from being productive over politeness. And while the conflict that naturally exists in most organizations hasn't gone away, it manifests itself in passive aggression, mediocrity, and a molasses-like inability to get anything done. *Nice Teams Finish Last* provides the antidote to this all too common tendency, giving managers, team leaders, and members and facilitators the practical support they need to battle the nice trap and start getting results. The book helps readers encourage skills such as constructive criticism, honest communication, and the kind of conflict that drives innovation and quality without hurting feelings or creating enemies. From giving clear, sharp feedback to effectively challenging others, this book provides the eye-opening tools teams need to achieve very nice results.
