Technical Interview Candidate Guide:

Job Interview: The Fast and Comprehensive Guide to Landing a Job (Turn Job Interviews Into Conversations and Become Irresistible to Hiring Teams Everywhere) Clifford Houston, 2010-01-01

This is why we decided to create this book. Here you will find the best practical tips and secrets to a successful interview. Understanding how to impress the interviewer is crucial nowadays and the aim of this book is to teach you the best strategies to a successful interview. If you follow all the steps and advice in this book, you will not only be the best candidate in the room but you will also be able to finally choose a job you like and not just settle for the only one available. Here is a preview of what you will learn in this book: How to do a self-assessment before the interview. The do's and don'ts of body language and dress code to create the first impression. What are the different types of resumes. Expert tips to create a professional resume. How to prepare for different interview types: one-on-one, group, telephone, skype. What kind of intelligent questions to ask the employer. How to negotiate salary without losing the job offer. And much, much more. This publication provides an all-inclusive guide to positive interview preparation, empowering you through mindfulness practices at each touchpoint of your journey. From your initial decision to enter the job market to applications, through to screening and final interviews, you will learn to explore your own inner motivations and mindset as well as examining your outer-facing actions and how to bring these into alignment to land your dream job.
