Learning about Artists and Cultures  Hundertwasser Research	I can investigate the work of artists and designers	I have a basic title, a simple pastiche and some facts, my presentation is a bit scruffy	My page is well planned out, I use the same colours and style as Hundertwasser. My drawing shows competent skill and I give my opinion of his work.	I have written about how I might use Hundertwasser's work in my own. My drawings are effectively drawn and I use the space on the page very well.	I draw confidently and have developed my own versions of Hundertwasser's work, the whole page works together and reflects his style and colours. I have written about how he created his work.
Develop Skills in Different Media  Making your relief building	I can manipulate mixed medias to create a relief sculpture	I cut out basic shapes but they are not very neat, my brush control is wobbly, the chalk detail could be clearer.	I have built up layers of cardboard and a have painted it well, I have clear areas of colour in chalk.	I have cut out sections neatly and I have added small details in card, my presentation is effective and it works well	I cut out intricate details and place them effectively in imaginative and unusual ways. I apply paint and chalk with precision and care.
Drawing and Recording  Building design	I can design an artwork inspired by an Hundertwasser	I have a basic design that relates to Hundertwasser and architecture	My design has some interesting details and uses the colours and shapes of Hundertwasser.	I have a detailed design which is annotated explaining connections to Hundertwasser. It is full of colour.	My design is original and creative, it has lots of detail, I have experimented with lots of ideas and put material test samples on to my design page.
Developing Final Outcomes  Developing and improving	I can use feedback to develop and improve my work.	I need to listen to feedback and use it to improve my work.	I try quite hard and use the rubric and feedback to improve my work	I respond really well to feedback and use it effectively to improve my work as it progresses.	I use feedback independently to improve and develop my work at all stages and it has a huge impact on the development of my work.
Homework	I can create an architectural artwork inspired by an artist of my choice	I rushed my homework and I didn't give much thought to the artist I used for inspiration.	I took time over my work and considered what materials to use. I show understanding of the style of my artist	My work is carefully made and I show some skill, it reflects the style of my artist and is made with care	My work is original and I use different media confidently in surprising ways. I have spent extra time on it to make it the best I can
