Ted DiBiase Ted DiBiase,2009-12-01 Everyone s got a price Everyone s got to pay Cause the Million Dollar Man always gets his way After proving his point Ted DiBiase would laugh and fan out his large roll of hundreds worsening the degradation of whoever had been foolish enough to accept his challenge or get in his way Defeated opponents put to sleep with his Million Dollar Dream would have the added humiliation of awakening to discover that the Million Dollar Man had been stuffing bills down their throats Winning match after match yet no closer to the championship DiBiase wanted the title but he couldn t seem to win it His solution pay Andre the Giant to win the title make sure the referee was also taken care of and then have Andre hand the championship title over to him True to his taunt the Million Dollar Man had gotten his way and Ted DiBiase became the most hated person in sports entertainment Making his way to the top of the profession that he had loved since he was a child Ted DiBiase never did anything by half measures He couldn t because the men he respected and worked side by side with expected that Iron Mike s kid would give his all And each day while on the road learning what it was to be a wrestler Ted remembered how his father had taught him to give his all every time It was how his father lived and how he lost his life dying during a wrestling match while Ted was still a boy From the dusty roads of Texas to the bayous of Louisiana Ted moved from one wrestling promotion to another sometimes a babyface other times a heel He learned how to tell a story and how to draw the fans in both inside and outside the ring In 1987 Vince McMahon had an idea for a new character the Million Dollar Man and one person came to mind Ted DiBiase For nearly a decade fans waited to see just how Ted could prove his adage that Everyone s got a price When he was sidelined by a neck injury DiBiase started a second wrestling career as a manager He managed some of the biggest stars Bam Bam Bigelow King Kong Bundy and a very green wrestler the Ringmaster who would later be known as Stone Cold Steve Austin Ted DiBiase the Million Dollar Man is fondly remembered by wrestling fans for his style and his command of the ring This is the inside glimpse of three decades inside and outside the squared circle
