The Story of Jesus William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and

minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history The Da Vinci Code Mysteries Amy Welborn,2006-03 **101 Questions and Answers on The Da Vinci Code and the Catholic Tradition** Nancy Marie De Flon,John Vidmar,2006 Answers questions about The Da Vinci Code and the novel's relation to Catholicism pointing out misrepresentations of church history and doctrine and revealing many positive aspects of the Catholic tradition **The Truth about the Da Vinci Code** Daniel Connors,2006-01-01
