

A black and white photograph of a man, likely a portrait of a famous figure, shown in profile from the chest up. He is holding a lit cigarette in his right hand, which is raised towards his face. His eyes are closed or looking down, and he has a contemplative or relaxed expression. The lighting is dramatic, with strong highlights on his face and hand against a dark background. The overall mood is intimate and artistic.

politics and religion When they appeared on The Ed Sullivan Show in 1964 fresh off the plane from England they provoked an epidemic of hoarse throated fandom that continues to this day Who better then to capture the Beatles phenomenon than Craig Brown the inimitable author of Ninety Nine Glimpses of Princess Margaret and master chronicler of the foibles and foppishness of British high society This wide ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore When actress Eleanor Bron touched down at Heathrow with the Beatles she thought that a flock of starlings had alighted on the roof of the terminal only to discover that the birds were in fact young women screaming at the top of their lungs One journalist mistaken for Paul McCartney as he trailed the band in his car found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant s heartbeat so as to induce a hypnotic state in listeners And just how many people have employed the services of a Canadian dentist who bought John Lennon s tooth at auction extracted its DNA and now offers paternity tests to those hoping to sue his estate 150 Glimpses of the Beatles is above all a distinctively kaleidoscopic examination of the Beatles effect on the world around them and the world they helped bring into being Part anthropology and part memoir and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen this book is a humorous elegiac and at times madcap

take on the Beatles role in the making of the sixties and of music as we know it **The Life of Kenneth Tynan** Kathleen Tynan,1987 Biography of the flamboyant theatre director and critic written by his second wife Using letters diaries writings and her own memories she tells of Tynan s bizarre family background his early years in theatre and his nightmarish first marriage **Plays International** ,2001 The Economist ,2001 **The Spectator** ,2009 **Theatre Record** ,2005
