A Pentecostal Commentary on Revelation Jon K. Newton, 2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case This is a serious commentary based on the Greek text and

includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation *The Golden Dragon's Surrogate* T R Durant,2022-12-18 Nicole is a young covenless Dragon Summoner witch She is completely alone save for her familiar a cat named Lucky Finding herself in dire need of money she decides that the fastest way to solve all her problems is to become a surrogate to a Golden Dragon Little does she know that even at the height of her desperation the transaction won t be easy It becomes almost impossible to separate business and pleasure when she can t stop herself from desiring the man who hired her Secrets and a haunted past stand in her way of truly allowing herself to love him It s forbidden Alev is one of the last Golden Dragons Abandoned by his girlfriend he is devastated and heartbroken He gave up on relationships and love and only wants a baby Only a Dragon Summoner witch or his fated mate can give him that His search yielded one viable candidate a beautiful stranger amongst the rare Dragon Summoners in the world Alev feels undeniably attracted by her unique melancholic blue eyes and their mysteries An unexpected desire erupts between them like wildfire Nicole s destiny crashes into her reality as she has to contemplate leaving them the baby she carries and the man who seared his very existence into her thoughts and dreams Alev s craving for the mysterious woman he hired as a surrogate grows by the day Her soul beckons to him and her body captivates him beyond his wildest imagination Their fiery passion for each other may be a mere kindling or the beginning of an inferno of inevitable Love
