Catherine (catherine Ponder) Ponder,1985      **The Dynamic Laws of Prosperity** Catherine Ponder,2016-05-27 There s  
Gold Dust in the Air for You This book is the result of several recent recessions and many years of lean living Nobody likes  
recessions and nobody likes lean living and indeed nobody should like them For fifteen years I tried to find such a book as  
this one During those years of searching the book shelves I found that there are many books which give various success ideas  
but in none of them did I find a set of compact simple laws for assuring success Years ago a salesman used the power of

every contact became a sale After a while whenever his name was mentioned people always said Yes everything he touches  
turns to gold These secrets are inside Get Your Copy Now      The Dynamic Laws of Prosperity Catherine Ponder,2016-08-24  
You ve heard much in recent years about positive thinking Out of the recessions and lean years another term has been born  
prosperous thinking The word prosper means to flourish succeed thrive to experience favorable results This book plainly  
shows how prosperous thinking has helped people in every walk of life to experience these results Furthermore it shows how  
prosperous thinking can do these things for you too As you read this book chapter by chapter you will automatically begin to  
develop the power of prosperous thinking and almost as easily you will begin to reap a harvest of prosperous results
