**Through the Eyes of a Foster Child** Daryl Brougham, 2015 In 1990 at the age of ten Daryl Brougham was told by a social worker that he was useless and would end up in jail By 1997 he had attended 27 schools been through over 30 social workers and lived in more than 30 different foster homes During his 18 years as a state ward he suffered repeated sexual physical emotional and psychological abuse Imagine coming home to be told you are moving somewhere new in half an hour Imagine being forced to eat a spider Imagine drinking from the toilet bowl because you re too scared to go near the kitchen Imagine what you would become after all those years of living in fear and loneliness Telling the Truth to Your Adopted or Foster Child Betsy Keefer Smalley, Jayne E. Schooler, 2015-09-15 Many adopted or foster children have complex troubling often painful pasts This book provides parents and professionals with sound advice on how to communicate effectively about difficult and sensitive topics providing concrete strategies for helping adopted and foster children make sense of the past so they can enjoy a healthy well adjusted future Approximately one of every four adopted children will have adjustment challenges related to their separation from the birth family earlier trauma attachment difficulties and or issues stemming from the adoption process Common complicating issues of adopted children are feelings of rejection abandonment or confusion about their origins While many foster and adoptive parents and even many professionals are reluctant to communicate openly about birth histories silence only adds to the child s confusion and pain This revised and significantly expanded edition of the award winning Telling the Truth to Your Adopted or Foster Child equips parents with the knowledge and tools they need to communicate with their adopted or foster child about their past Revisions include coverage of significant new research and information regarding the importance of understanding the child s trauma history to his or her well being and successful adjustment in his foster or adoptive family The authors answer such questions as How do I share difficult information about my child s adoption in a sensitive manner When is the right time to tell my child the whole truth How do I obtain more information on my child s history Detailed descriptions of actual cases help the parent or caregiver find ways to discover the truth particularly in closed and international adoption cases organize the information and explain the details of the past gently to a toddler child or young adult who may find it frightening or confusing **Râja Yoga Messenger**, 1915 Cultural Psychology Prof. Dr. Bilal Semih Bozdemir, The influence of culture on decision making and problem solving is profound and pervasive By recognizing and understanding the cultural factors that shape these cognitive processes individuals and organizations can navigate complex decisions more effectively As global interconnectedness continues to rise the ability to appreciate and utilize diverse cultural perspectives will be increasingly vital in fostering collaboration and innovation This chapter has elucidated the intricate ways in which culture impacts not only how decisions are made and problems are solved but also how individuals understand themselves within their cultural ecosystems In an era marked by rapid change and diversity engaging with these cultural influences will be indispensable in creating solutions that

are both effective and sustainable

Dirty Little Secrets Valarie Anthony, 2014-12-04 *Dirty Little Secrets As Seen Through The Eyes of a Foster Child* tells the true story of a young girl who is placed in a foster home when she is three years old. She is later thrust into the chaos of the New York City foster care system which would become a long term situation for the little girl. She would eventually reside in over 12 foster homes during a painful and scary childhood and 2 foster group homes during a difficult adolescence and young adulthood. *Dirty Little Secrets* also shows how foster care workers were so overwhelmed that they failed to detect the continuing incidents of abuse and neglect involving children in their care even when the evidence was staring them in the face. At the age of 21 the young girl is cast into the world of the unknown without anyone or anywhere to call home. She goes forth with only hope and determination to guide her. As an adult discovery of her true self enables her to confront and overcome emotionally damaging realities from her childhood which can no longer stay buried deep within her memory. This is the true story of her difficult life battle but more importantly her ultimate victory which is her healing.

**Through Our Eyes** William A. Hunter, 2010-04-12 In *Through Our Eyes* William Hunter and some of the children he fostered share their experiences within these unique social welfare phenomena. The author took in children who suffered horrific abuse from their birth parents as well as during their journey through foster care. Hunter describes his personal struggle to salvage what humanity was left to these children and advocate against the immense bureaucracy of the state welfare and mental health systems. After a dozen years it all came crashing down around him. The stress caught up with him and took a toll on his emotional and physical health. The cases of these children touch the human heart and invoke anger against the worst segment of our society. Few people know the suffering these children endure after the sensationalism of their abuse fades to the back page. Their struggle to survive in the system remains heart wrenching.

**Through The Eyes Of A Foster Child Book** Roger Dilucca, 2021-04-05 For many children in foster care the answer to many questions is often maybe. *Through The Eyes Of A Foster Child* book is the ebook version best selling book about the author's traumatic childhood in foster care. The paperback version has sold over 4 000 copies in its first four months since December 2015 in Australia and New Zealand. In 1990 at the age of ten the author was told by a social worker he was useless and would end up in jail. By 1997 he had attended 27 schools been through over 30 social workers and lived in more than 30 different foster homes. During his 18 years as a state ward he suffered repeated sexual physical emotional and psychological abuse. Rising above all the abuse he proved that social workers wrong. A quality New Zealand book.
