**Through Soviet Windows** Joseph E. Evans, 2013-10 This is a new release of the original 1957 edition Through Soviet Windows Joseph E. Evans, 2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work The Open Window into the Soviet Bloc Jakub Tyszkiewicz, 2023-09-29 This volume analyzes US policy toward communist ruled Poland in the fields of diplomacy economy culture and public diplomacy It highlights the limitations in developing cooperation between democratic and nondemocratic countries resulting from the Cold War conflict No comprehensive account of US policy toward Poland from 1956 to 1968 has emerged in historiography This book aims to answer why since the political changes of the Polish October 1956 Washington ceased to see Polish affairs as Soviet related matters Instead it recognized communist ruled Poland as a separate political entity among other Kremlin dependent states in Eastern Europe This policy introduced by the Dwight D Eisenhower administration was continued by his successors John F Kennedy and Lyndon B Johnson Recently declassified US and Polish archival sources allow the presentation of more considerations around the decision making mechanisms by presidential administrations regarding communist Poland after 1956 They also reveal the dependence of the implementation of US actions on the climate of international relations Moreover they can now explain how Poland became an open window toward the Soviet bloc and a model example of the changes in the US policy of diversifying its approach to Eastern European countries under Soviet control in the next decades The Window Before Brett V. Benson, Bradley C. Smith, 2025-12-31 The Window Before examines how military alliances are implemented and why they take time to become fully effective The book explores how the anticipation of a new alliance can lead to preventive wars where targets act aggressively to stop the alliance before it s fully operational It also discusses strategies allies use to avoid provoking conflict while still benefiting from their partnership The book brings these insights to bear on contemporary global tensions including the ongoing war in Ukraine China Taiwan relations and the emerging no limits security partnership between Russia and China Optical Play Julia Bekman Chadaga, 2014-10-31 Chadaga s ambitious study proceeds from the idea that glass in its uses as a material object and as it was depicted in works of art is a key to understanding the evolution of Russian identity from the eighteenth century to the middle of the twentieth **The .NET Developer's Guide to Windows Security** Keith Brown, 2004 Author Keith Brown crystallizes his application security expertise into 75 short specific guidelines geared toward NET programmers who want to develop secure Windows applications that run on Windows Server 2003 Windows XP and Windows 2000 *Language and Revolution* Igal Halfin, 2004-08-02 This work examines the role of language in forging the modern subject Focusing on the idea of the New Man that has animated all revolutionaries the present volume asks what it meant to define
