Til Death Do Us Part Sonya L. Williams, 2011-08 Weddings are often the happiest day of a couple's life At least for the bride it is It's all about her The bride has the chance to get all dolled up be waited on hand and foot then walk down the aisle looking like the beautiful princess that her daddy always told her she was Now the bride being the main focus of attention is no problem to me at all It's when we leave the wedding and go into marriage still thinking It's still all about me In wedding vows we promise to stay together Til death do us part but as for a relationship with God until death we are apart Sin separates us from God I've finally learned that to live in Christ we must die to ourselves In marriage we must die to many of our own desires and live for our spouses When we live for God He will show us how to live for our spouses When we live selfishly we will always be craving for more but when we live selflessly God will see to it that our needs are always supplied and our desires are satisfied God will always see to it that you reap what you sow In sharing some of my own experiences and what I've learned I pray that I can sow seeds of hope into the lives of others This book is to show my journey towards building a relationship with God As you will see I too have lived in sin We were all born into sin Fortunately God gives us free will to choose to continue living in sin or die to sin and receive new life in Him
