**TIME Visions of Heaven** Lisa Miller, 2014-04-08 Where do we go from here TIME brings you a visually inspiring exploration of humankind's speculation about the afterlife from the Christian view of heaven to its myriad spiritual and literary versions Valhalla Nirvana Shangri La and many other concepts of paradise The quest is not just a spiritual one but a scientific and eyewitness journey as well Fully 85% of Americans believe in heaven according to Gallup and now TIME takes you on an unforgettable quest into what it may look like Our quest for understanding the afterlife include What are the common elements and key differences in how cultures around the world view the afterlife Ware Near death Experiences and why do so many people report similar accounts Do we have a psychological need to believe in life after death How did the biblical version of heaven take shape What are the best literary depictions of heaven from *Pardiso* by Dante to *The Lovely Bones* by Alice Sebold

*Heaven's Purge* Isabel Moreira, 2010-11-17 The doctrine of purgatory the state after death in which Christians undergo punishment by God for unforgiven sins raises many questions What is purgatory like Who experiences it Does purgatory purify souls or punish them or both How painful is it *Heaven's Purge* explores the first posing of these questions in Christianity's early history from the first century to the eighth an era in which the notion that sinful Christians might improve their lot after death was contentious or even heretical Isabel Moreira discusses a wide range of influences at play in purgatory's early formation including ideas about punishment and correction in the Roman world slavery the value of medical purges at the shrines of saints and the authority of visions of the afterlife for informing Christians of the hereafter She also challenges the deeply ingrained supposition that belief in purgatory was a symptom of barbarized Christianity and assesses the extent to which Irish and Germanic views of society and the sources associated with them penitentials and legal tariffs played a role in purgatory's formation Special attention is given to the writings of the last patristic author of antiquity the Northumbrian monk Bede *Heaven's Purge* is the first study to focus on purgatory's history in late antiquity challenging the conclusions of recent scholarship through an examination of the texts communities and cultural ideas that informed purgatory's early history
