**Unbound** Peggy Martinez, 2016-02-08 Bombs have rocked Sage Hannigan's world. All manner of preternaturals have exposed themselves to the human population and taken over causing innumerable deaths and mass destruction worldwide. Now Sage is furious. She's angry that lives were lost that the Time Warper she was trying to save died that people all over the world are going hungry and most of all she is enraged that the lives of everyone she loves are in danger because of her. When her eyes are finally opened to the truth of who is behind all the chaos she finds herself in a race against time to stop her most powerful adversary yet before it's too late. Too late for her, her friends and too late for the world. *Eventuality* Peggy Martinez, 2014-07-10 Bombs have rocked Sage Hannigan's world. He's gone into every battle verbal or physical knowing that he will be victorious. Rescuer of many, protector of the O'Rourke clan, knight in shining armor, he lives up to all the titles with the full confidence of a man who knows he will live forever. Gwendolyn Allen has been in love with Reilly, her best friend, since she met him more than a decade ago. But dreams of a happily ever after are dashed when Gwen finally accepts that Reilly won't return her love for him. She's determined to move on and she has almost. When she learns that all Protectors are destined for one woman only, she can only assume that Reilly's repeated rejection of her means that he's already found his soul mate. Reilly is tired of dancing to the Fates' tune and when he and Gwen find themselves together for three weeks prior to a wedding, the Fates decide to step in. They give Reilly a taste of what his life would be like without their protection and suddenly everything Reilly knows is shaken to its core. When his otherworldly abilities begin to fall through time, Reilly may have to trust in something other than fate. He might just have to trust in love.
