

TEAS

Comprehensive 12 Week Study Plan

Week 1

Diagnostics & Review

Part 1: Diagnostics

- Take the free diagnostics for all 4 subjects
- Math
- English Language Usage (ELU)

Random your results!

The topics where you scored best, simply review the topics and any mistakes reinforce the concepts that you get wrong or struggle with.

The topics where you scored low, focus your attention on those topics and make sure you get them right before moving on to your next topic.

You may also want to read your study plan based on your diagnostic results. If you score 80% or above on a topic or section and you have studied them, you can move that section off your study plan and review it at the end if you have time.

You can also check topics where you scored lower on the diagnostic to review earlier in the study plan so that you have more time to review them.
