**Teaching English to Young Learners in Indonesia** Gusti Astika, 2025-12-15 Teaching English to Young Learners in Indonesia is a practical guide for teachers who work with children in primary schools. It explains what English teaching looks like in Indonesia today and offers simple research-based ideas teachers can use right away. The book begins by introducing the Indonesian context: how English fits into the national curriculum, how children grow up using several languages, and what this means for teaching English in EFL classrooms. Teachers will also learn how children aged 6-12 learn best, with easy explanations of key ideas from Piaget, Vygotsky, Krashen, and Bruner. The book shows why curiosity, play, imagination, and emotional support are essential in young learner classrooms. Practical chapters guide teachers through curriculum planning, adapting the Merdeka Curriculum, integrating CLIL, and creating simple lesson plans. There are clear examples of how to teach vocabulary, grammar, listening, speaking, reading, and writing in child-friendly ways using stories, chants, songs, games, phonics, and creative activities. The book also highlights fun and effective teaching approaches such as storytelling, drama, tasks, and projects, with ideas for mini-books, puppet shows, English fairs, and cultural exchanges. Digital tools and AI are introduced in a safe and practical way, helping teachers use apps, digital stories, and gamified activities to support learning. To help teachers manage real classrooms, the book includes strategies for building routines, teaching large classes, supporting shy learners, and using Bahasa Indonesia wisely. Assessment is explained in a simple way with tips for portfolios, checklists, projects, and giving culturally sensitive feedback. The final chapters share classroom stories from across Indonesia and offer a look at the future of English teaching, bilingual programs, multilingual learning with AI, and ideas for inclusive and sustainable EYL education. Overall, this book gives teachers the knowledge, skills, and confidence to create enjoyable, meaningful, and effective English lessons for young Indonesian learners.
