Box Office Buy Online Returns:

London Michael Leapman,2011-01-11 Detachable col fold out map attached to flap of p 3 of cover **Easy A** Betty Kaklamanidou,2018-04-24 Easy A 2010 is the last significant box office success in the high school teen movie subgenre and a film that has already been deemed a classic by many cultural commentators and popular film critics By applying interdisciplinary insight to a relatively overlooked movie in academic discussion Easy A The End of the High School Teen Comedy is the first in depth volume that places the movie within several key contexts and concepts of intertextuality gender genre and adaptation and social discourse Through the unpacking of a complex narrative that draws its plot from Nathaniel Hawthorne s The Scarlet Letter 1850 and shares affinities with John Hughes paradigmatic films from the 1980s and key films from the 1990s this volume presents Easy A as a palimpsest for the millennial generation Clear and comprehensive the book argues that Easy A marks the end of the commercially successful high school teen comedy and discusses the reasons through a comparative synchronic and semi diachronic historical comparison of the film with contemporary cinematic texts and those of the 1980s and 1990s Co-Financing Hollywood Film Productions with Outside Investors Kay H. Hofmann,2012-10-28

Over the past two decades investors from outside the motion picture industry have increasingly supplied equity to U S film productions Today these so called co financing arrangements are a common phenomenon in Hollywood While the large studios usually carry out the operative tasks of movie production and distribution the financiers as co owners of the completed films have rights to the residual profits Kay H Hofmann analyzes the conflicts of interest and the organizational problems that may arise between the experienced major studios and investors with comparably low industry expertise Guided by principal agent theory the empirical analysis provides evidence for adverse selection and multiple aspects of moral hazard during production as well as distribution Based on these findings the author develops solutions that are not only relevant for current and future investors but also for studios and film producers who rely on the long term availability of external funds **Australian Books in Print** ,1992 *Playbill* ,2007 **Mainstream** ,1989 **Microsoft Windows XP**
