Political Management in Practice

Jennifer Lees-Marshment,2024-05-31 All organisations manage people and politics is no different Campaigns

parties and government all need to manage people and resources to try to get things done Of course the extent to which politics is managed effectively is debatable Recently public awareness of problematic HR in parliaments and government has grown as media reports of problems emerge Such problematic practice is not surprising given that orientation and training of political practitioners by parties and parliament is hindered by a lack of academic research This comprehensive volume lays out and builds upon core theoretical foundations in the field of political management offering a wide range of in depth empirical research with multiple authors and chapters from different disciplinary perspectives and countries With authors from political management programmes political marketing management political psychology and public administration the book seeks not just to survey a topic or existing literature but to stimulate research in the area This book will be highly useful for graduate students researchers and professionals in a variety of areas including political management political marketing applied politics political science management political psychology and public administration *Slander Rhiannon*

networks come and go and for today's youth Facebook is becoming what MySpace is to you now. This is why you can run the best and most expensive Facebook marketing campaign that you can afford but your teenage clients just won't see your efforts because they're all on TikTok now. TikTok lets users shoot, edit, and share short video recordings like YouTube but shorter. And since it's so popular among young people, you NEED a TikTok presence if you want to get to the top of your niche and stay there. TikTok is a whole new world with its own language, Eboys, Egirls, influencers, hashtags, challenges. It can be overwhelming at first. But never fear, this book is here to show you the way. This book will help you Setup a TikTok account. Take your brand worldwide in minutes. Create content that will go VIRAL and attract millions of viewers. Sit back while others do the work for you. Cut your ad spending and watch your profits grow. TikTok is not a fad that will be gone by next year. It's growing quickly and showing no signs of slowing down and even today it's a key element of any marketing campaign aimed at Gen Zers. If you want them as your clients, you have to reach out to them in their natural habitat. Don't delay, become a TikTok star today. Scroll up, click on Buy Now with 1 Click, Get Your Copy Now, and Start Reading.

The Quiet Before Gal Beckerman, 2022-02-15. A NEW YORK TIMES NOTABLE BOOK. NEW YORK TIMES EDITORS CHOICE. An elegantly argued and exuberantly narrated *The New York Times* Book Review look at the building of social movements from the 1600s to the present and how current technology is undermining them. A bravura work of scholarship and reporting, featuring amazing individuals and dramatic events from seventeenth century France to Rome, Moscow, Cairo, and contemporary Minneapolis. Louis Menand, author of *The Free World*. We tend to think of revolutions as loud frustrations and demands shouted in the streets. But the ideas fueling them have traditionally been conceived in much quieter spaces in the small, secluded corners where a vanguard can whisper among themselves, imagine alternate realities, and deliberate about how to achieve their goals. This extraordinary book is a search for those spaces over centuries and across continents, and a warning that in a world dominated by social media, they might soon go extinct. Gal Beckerman, an editor at *The New York Times* Book Review, takes us back to the seventeenth century to the correspondence that jump-started the scientific revolution and then forward through time to examine engines of social change: the petitions that secured the right to vote in 1830s Britain, the zines that gave voice to women's rage in the early 1990s, and even the messaging apps used by epidemiologists fighting the pandemic in the shadow of an inept administration. In each case, Beckerman shows that our most defining social movements, from decolonization to feminism, were formed in quiet, closed networks that allowed a small group to incubate their ideas before broadcasting them widely. But Facebook and Twitter are replacing these productive private spaces to the detriment of activists around the world. Why did the Arab Spring fall apart? Why did Occupy Wall Street never gain traction? Has Black Lives Matter lived up to its full potential? Beckerman reveals what this new social media ecosystem lacks: everything from patience to focus, and offers a recipe for growing radical ideas again. *Lyrical and profound*, *The Quiet Before* looks to the past to help us imagine a different future.

TikTok User Guide 2025 Dr Richard brown, TikTok User Guide 2025 Step by Step

Tips Tricks Growth Strategies for Beginners to Master TikTok Marketing Achieve Success Description Welcome to the ultimate beginner's guide to TikTok success in 2025. TikTok Mark Simon, 2020-05-26. Are you struggling to learn the ins and outs of TikTok? TikTok is the biggest media platform around and is constantly gaining more users every day. Currently, it has a wider reach than Facebook and YouTube combined. Meaning that if you don't have a presence on the platform, you are being left behind. No matter what kind of business you are in, you need to have a TikTok presence. This is especially true if you want to be any sort of influencer. People have been becoming stars on the platform over night and even transforming the social currency from TikTok into multi-million-dollar Hollywood deals. And the best part is, with this book, you can too! This book will show you how to set up your TikTok the right way so that you can start generating real followers right from the start. The kind of subscribers that will help you climb to the top and support your career the whole way. This book will teach you what TikTok is and how to set one up. How to make an interesting TikTok video. Why videos go viral and how to make one. How to stay consistent. How to make a content plan and stick to it. How to interact with your subscribers in an authentic way. And so much more. You can earn real passive income from TikTok in a fun and creative way. And by following the lessons in this book, you'll be able to do it in a way that will help you to make a career. If you are serious about learning all about TikTok so you can make a sustainable income from it, then you need to get this book today.
