Black Friday Usa:

HISTORY OF THE HOLIDAYS: A Global Guide Christopher Tolerant, 2025-11-17 A riotous painfully honest and wildly entertaining deep dive into humanity's oldest pastime avoiding responsibility by throwing a party History of the Holidays drags you lovingly but with zero mercy through centuries of festivals rituals fire hazards food fights spiritual awakenings and cultural traditions that suspiciously resemble bad decisions with marketing From the explosive chaos of ancient fire festivals to modern celebrations powered by sugar capitalism and questionable judgment this book unpacks how every culture on Earth found creative ways to celebrate survival seasons deities harvests hope and sometimes absolutely nothing at all Armed with razor sharp humor gleeful irreverence and just enough historical accuracy to keep you learning while you laugh the authors take you on a global tour of Legendary celebrations that shaped civilizations Religious holidays that evolved into glitter covered modern spectacles Local festivals that probably shouldn't exist but absolutely do Food based traditions that test the limits of both digestion and dignity Comically chaotic holidays invented out of boredom dares or pure human mayhem Between the jokes the book lands a surprisingly heartfelt truth holidays matter They're proof that people messy dramatic brilliant people will always find reasons to gather laugh feast burn something or throw produce at each other in the streets Equal parts history lesson and comedic roast of the human condition this is the coffee table book you didn't know you needed and won't stop quoting Perfect for fans of irreverent nonfiction trivia lovers holiday obsessives and anyone who believes life is too short not to celebrate absolutely everything

Worn Out Madison Van Oort, 2023-03-07 An immersive first hand account of retail worker surveillance and resistance in the digital age Technology has sped up the world of retail clothing rushing affordable trendy garments to consumers and enriching multinational retail giants like Zara and H M But beneath the success of fast fashion there is a grimmer story to be told that of the people who do the actual producing and selling Working undercover in two of the world's largest fast fashion stores in New York City Madison Van Oort observed firsthand how data and surveillance shape the lives of low status workers in an industry in flux and how these workers are fighting back Worn Out provides an on the ground look at how technology helps create this just in time workforce how feminized and racialized workers experience and respond to new forms of digital control and how collective struggles for racial gender and economic justice in and around retail spaces inform these workers resistance Worn Out draws on interviews with dozens of front line workers and labor activists and on evidence gathered at corporate conferences to expose the exploitative reality of retail labor in the digital age

Van Oort shows how digital tools lubricate the shift toward just in time retail by collecting real time data on not only customer behavior but also worker performance and how these tools including automated scheduling platforms biometric timeclocks and cashier metrics increase these workers already heightened insecurity One of the first ethnographies of this thriving industry Van Oort's book pulls open the curtain between production and consumption and reveals the real cost of fast fashion
