Sweet From The Vine Jacquie Underdown,2018-12-01 A second chance at love in the beautiful Ovens Valley if he just has the courage to take it Matilda James never thought she'd ever return to Alpine Ridge the small town she grew up in and couldn't wait to leave But when her desire to have children proves too great a strain on her childless marriage she heads back home for a tree change determined to find a partner with the same life goals Good luck and good timing lands her a dream marketing role on a breathtaking vineyard The only hitch is her boss her old high school flame But Matilda is a professional and that relationship is old news Mitch nearly lost everything when he lost his wife and he's worked hard ever since to support and protect the most important people in his life his two brothers and his beautiful miraculous daughter When his high school sweetheart Matilda starts working on the vineyard he still feels the attraction but the pain of his past is too close and too constant to ever consider acting on it But soon the sparks between Matilda and Mitch grow so bright they can't be ignored Matilda is forced to question what she truly wants in life and how far she is willing to push to get what she deserves And Mitch must learn that moving on is not a betrayal and find the courage to fight for a future he could never have imagined

**The Launch Date** Annabelle Slator,2025-02-11 What if the secret to finding true love on a dating app was meeting them IRL first In this witty and fun rom com debut from Annabelle Slator rival coworkers become reluctant daters after they're forced to work together on a brand new dating app in hopes of winning a promotion perfect for fans of Sally Thorne's *The Hating Game* Grace Hastings's dream job at the popular true love dating app Fate has turned into a nightmare Her boss is a leech her career is stagnating and her fianc has just brutally dumped her Her hope for finding her own love story is waning and she feels like a fraud for promoting a concept she no longer believes in When the company's CEO offers her an opportunity to earn a big promotion she resolves to fight her imposter syndrome to show she deserves a seat at the table The opportunity To launch a brand new app focusing on IRL dating and genuine connection The problem She must develop and test drive a series of first dates with the other person gunning for the job notorious socialite playboy and Grace's biggest work rival Eric Bancroft During their disastrous hikes dangerous cooking classes and steamy yoga sessions they begin to realize their stark differences may just be surface level and Eric might just be the perfect person to challenge Grace's perceptions of love dating culture and self worth     WTF? Tim O'Reilly,2017-10-10 Can we master the technologies we create before they master us A punchy and provocative assessment by one of Silicon Valley's sharpest observers Financial Times *WTF* can be an expression of amazement or of dismay and today's technology elicits both reactions In this book Tim O

Reilly dubbed the Oracle of Silicon Valley by Inc magazine explores the upsides and potential downsides of today s WTF technologies What is the future when an increasing number of jobs can be performed by intelligent machines instead of people or done only by people in partnership with those machines What happens to our consumer based societies to workers and the companies that depend on their purchasing power Is income inequality and unemployment an inevitable consequence of technological advancement or are there paths to a better future What will happen to business when technology enabled networks and marketplaces are better at deploying talent than traditional companies How should companies organize themselves to take advantage of these new tools What s the future of education when on demand learning outperforms traditional institutions How can individuals adapt and retrain Will the fundamental social safety nets of the developed world survive the transition and if not what will replace them O Reilly is the man who can really can make a whole industry happen according to former Google CEO Eric Schmidt and for decades he s identified and helped shape our response to emerging technologies with world shaking potential from the World Wide Web to Big Data and AI Here he shares the techniques he s used at O Reilly Media to anticipate innovation waves and provides a framework for thinking about how current innovations are changing the nature of business education government financial markets and the economy as a whole He helps us understand how the parts of digital businesses work together to create marketplace advantage and customer value and why ultimately they cannot succeed unless their ecosystem succeeds along with them O Reilly exhorts businesses to DO MORE with technology rather than just using it to cut costs and enrich their shareholders Robots are going to take our jobs they say O Reilly replies Only if that s what we ask them to do Technology is the solution to human problems and we won t run out of work till we run out of problems Whether technology brings the WTF of wonder or the WTF of dismay isn t inevitable It s up to us A compelling narrative of how technology interweaves with the real world If it can cajole even a few tech titans to dwell on the social and political impact of what they do then it will have served a useful purpose Financial Times WTF is a book about technology as it was as it is and as it could be It is told from the perspective of someone who has been personally present at the most important moments in the fast paced history of tech and who played a significant role in those moments Please do read this book Cory Doctorow Boing Boing     **Editor & Publisher** ,1938     *The Ultimate University Survival Guide: The Uni-Verse* Jack Edwards,2020-08-06 A complete unfiltered university handbook written by an actual student
