Goodreads Choice Update Customer Service:

Provider ,2000 BLD ASP .NET IN, Kourosh Ardestani,2002-09-25 Today most companies of any size have an intranet to disseminate information within their company Typically there are core generic functions HR policy office forms news document sharing etc that most intranets provide The same underlying technology of ASP NET that is used to build Web internet applications can be used to build intranet applications for any business The Publishers Weekly ,2008

Building an ASP.NET Intranet Kourosh Ardestani,2003-08-29 The authors base the books sample intranet on Microsofts free best practices example the IBuySpy Portal and teach you to quickly create an application that exploits the advanced features of ASP NET A full explanation of the IBuySpy Portal architecture is provided which allows you to maximize product usage Further the authors explore customizing existing portal modules and even build some of their own In the course of reading you will acquire a breadth of techniques for ASP NET development from effectively using stored procedures to creating an advanced user interface with ASP NET Web Controls *How to Win Customers* Jacques Horovitz,1990-01-01 *The Customer Service Revolution* John R. DiJulius,2015-01-06 In *The Customer Service Revolution* DiJulius points out how numerous companies have made Customer service their biggest competitive advantage are dominating their industries and have made price irrelevant As a result of this Customer service revolution people are being treated differently better and in a way like never before This is a result of how companies and management are treating their employees and how employees are treating each other and the Customer which ultimately permeates into people s personal lives at home and in their communities Can the way you run your business or treat your Customers have an effect on the world at large John DiJulius will show you just that Drawing on years of experience consulting with the top customer service companies around the world and in his role building his first business John Robert s Spa into one of the top 20 salons in the US DiJulius will show you exactly how to create your very own Customer service revolution and make price irrelevant The Customer Service Revolution Bryan Horn,2020-02-21 The way we do business has changed Customers are no longer driven by products and services alone They are experience driven customers who seek meaningful and genuine interactions with the companies they do business with Many companies have adapted a too big to fail mindset and have implemented policies that favor themselves instead of the customers who keep them in business Employees are treated as money making machines instead of valued teammates This has to change *The Customer Service Revolution* is packed full of innovating and inspiring stories and is changing the way companies think about their customers and the employees who make it all happen
