

# Reading Comprehension

Read the short passage and answer the questions.

## The Dog and the Shadow

It happened that a Dog had got a piece of meat and was carrying it home in his mouth to eat it in peace. Now on his way home, he had to cross a plank lying across a running brook. As he crossed, he looked down and saw his own shadow reflected in the water beneath. Thinking it was another dog with another piece of meat, he made up his mind to have that also. So he made a snap at the shadow in the water, but as he opened his mouth the piece of meat fell out, dropped into the water and was never seen more.

1. What animal was crossing a board?
  

---

2. What did the dog have in his mouth?
  

---

3. What did the dog see in the running brook?
  

---

4. What is the moral of the story?

### **50 Active Learning Strategies for Improving Reading**

**Comprehension** Adrienne L. Herrell,Michael Jordan,2002 This book incorporates the strongest and most current research available to help teachers actively involve their students in the reading comprehension process Teachers receive expert guidance in a step by step format that clearly states and fully illustrates each of the 50 strategies It delivers must have information that enables teachers to assess their students current strategies A six section organization enables teachers to easily access appropriate strategies for specific teaching objectives word and sentence level comprehension paragraph level comprehension integrating background knowledge holistic comprehension self monitoring strategies and assessment to inform instruction For elementary school teachers *Reading Comprehension Skills & Strategies Level 3* Saddleback Educational Publishing,Edge,2002-09-01 Every book in the Reading Comprehension Skills and Strategies Series contains 125 plus reproducible pages more than 125 activities that combine solid reading comprehension skills reinforcement and enrichment with reading comprehension strategy instruction Based on current educational standards the series features ready to use resource pages filled with instructional tips and extended activity ideas plus a Scope and Sequence skills chart to track student progress Each reproducible book is 144 pages **Understanding and Teaching Reading Comprehension** Jane Oakhill,Kate Cain,Carsten Elbro,2014-08-21 The ultimate aim of reading is not the process but to understand what we read and comprehension can take place at many different levels There has been an increasing emphasis on the importance of

reading comprehension in recent years but despite this there is very little written on this vital topic accessible to trainee and practicing teachers The Handbook of Reading Comprehension presents an overview of recent findings on reading comprehension and comprehension problems in children It provides a detailed examination of the characteristics of children who have reading comprehension difficulties and examines ways in which comprehension can be supported and improved It is accessibly written for students and professionals with no previous background in the psychology of reading or reading problems This indispensable handbook asks the question what is comprehension The authors consider comprehension of different units of language understanding single words sentences and connected prose and outline what readers and listeners have to do to successfully understand an extended text This book also considers comprehension for different purposes in particular reading for pleasure and reading to learn and explores how reader characteristics such as interest and motivation can influence the comprehension process Different skills contribute to successful reading comprehension These include word reading ability vocabulary knowledge syntactic skills memory and discourse level skills such as the ability to make inferences knowledge about text structure and metacognitive skills The authors discuss how each one contributes to the development of reading comprehension skill and how the development of these skills or their precursors in pre readers provides the foundation for reading comprehension development Areas covered include Word reading and comprehension Development of comprehension skills Comprehension difficulties Assessment Teaching for improvement Throughout the text successful experimental and classroom based interventions will be highlighted practical tips for teachers and summary boxes detailing key points and explaining technical terms will be included in each chapter

#### The Source for Reading

Comprehension Strategies Regina G. Richards,2006-01-01 Strategies in this book incorporate components identified by the National Reading Panel NRP as having a solid evidence base and match the mandates of No Child Left Behind and Reading First *To Understand* Ellin Oliver Keene,2008 To Understand proposes a model that incorporates all aspects of literacy instruction and describes how teachers can focus on what matters most Keene shows that when teachers target the most essential content they can help every student engage more deeply with texts and discover a passion for reading and learning You ll learn to draw out students intellectual interests and spark improvements in their literacy learning and comprehension even among students who struggle You ll see that teaching the Outcomes and Dimensions of Understanding can help readers exceed expectations and also help broaden your vision of their capacity and energy for learning
