Celebrate 10 years of running with Believe Training Journal the best selling comprehensive training journal from professional runners now updated with even more wisdom quotes insights and tools that will fire up every aspirational athlete's dreams and ambitions. A good running journal makes the miles make sense. Pro athletes Lauren Fleshman and Roisin McGettigan-Dumas created the original Believe Training Journal to help you become the runner you were meant to be. Now drawing from ten more years of lived experience as coaches, researchers, counselors, and parents, this incredible tool just got even better. This revised and updated edition celebrates the 10th anniversary of the Believe community coming together to set goals, do the work, learn what works and what doesn't, keep their heads in the game, overcome obstacles, identify blindspots, be kind to themselves, and enjoy the whole process. The journal offers a full year of undated weeks, an annual calendar, worksheets, quizzes, tips, and tools, and plenty of room to record your training journey. The twelve essays accompanying each month have been revised to reflect new wisdom and research and are jampacked with lessons and insights on training, racing, recovery, mindset, and more. Lauren and Ro have well over 100,000 users to date, and there's incredible power in the handwritten logging and reflection process that you won't get online. Use this training tool to learn more from your runs, to dig deeper, to stay healthier, and to find more meaning in the journey. In the end, you'll be a wiser athlete and have a keepsake and reference for years to come.
