An intimate viewing** Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled

guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life      **The Official Xbox Magazine** ,2009      **The Hollywood Reporter** ,2009      **The Seeker and the Sage** Brigid Delaney,2025-09-30 How Stoic principles can help us navigate the challenges of our divided unstable world Can the principles of Stoicism lead us to a peaceful good life We are all going to die so how should we live A traumatised journalist is given a dream assignment track down the mayor of a remote and mysterious town whose citizens are reported to be the happiest people on Earth Journeying into a harsh and inhospitable landscape she overcomes many obstacles before arriving in Silver Springs whose citizens live according to the ancient philosophy of Stoicism and where she has been granted three days to interview the mayor The journalist wants to know how to live a good life and be a good person when she returns to the chaos outside the valley The mayor wants to protect his dominion from being tainted by the modern world In her bestseller *Reasons Not to Worry* Brigid Delaney explores the foundations of Stoicism and how you can apply them to your life Now in *The Seeker and the Sage* she asks how can the wisdom of this ancient philosophy apply to communities and how can we create our own utopias in an increasingly troubled world      Screen Digest ,2006      **U.S. News & World Report** ,2004      *Stanford* ,2006      Hastings Journal ,2013      **The Hastings Law Journal** ,2012      *Franchise Times* ,2008      **The Wall Street Journal** ,2009
