What You Left Behind:

What You Left Behind Jessica Verdi, 2015-08-04 Jessica Verdi the author of *My Life After Now* and *The Summer I Wasn't* Me returns with a heartbreaking and poignant novel of grief and guilt that reads like Nicholas Sparks for teens It's all Ryden's fault If he hadn't gotten Meg pregnant she would have never stopped her chemo treatments and would still be alive Instead he's failing fatherhood one dirty diaper at a time And it's not like he's had time to grieve while struggling to care for their infant daughter start his senior year and earn the soccer scholarship he needs to go to college The one person who makes Ryden feel like his old self is Joni She's fun and energetic and doesn't know he has a baby But the more time they spend together the harder it becomes to keep his two worlds separate Finding one of Meg's journals only stirs up old emotions Ryden's convinced Meg left other notebooks for him to find some message to help his new life make sense But how is he going to have a future if he can't let go of the past Ryden's story is a moving illustration of how sometimes you have to let go of the life you planned to embrace the life you've been given A strong character driven story that teen readers will love Carrie Arcos National Book Award Finalist for *Out of Reach* [Fingerprints Left Behind](#) Heidi Bridges, 2013-06-13 Every one of us has a story to tell a testimony and a reason to praise God You did not get this far in life on your own merit You got this far by God's Grace and Mercy You got this far because God gave you what you did not deserve Take a moment and look back at all the things in life you have done whether you got caught or not is not the importance think about everything you have done look at yourself in the mirror and be honest with yourself then you will be able to see that you were given favor by God and He did not give you what you deserved If you still question whether God is real look into the eyes of your children your sisters your brothers your husband your wife breathe in and breathe out if you woke up on this side of the dirt today that's how you can know that God is real you cannot sustain yourself God sustains you If you have read the poems in this book and you were affected by them if they touched your heart and you don't know Jesus Christ as your Lord and Savior I encourage you to come into a relationship with him Make God the Lord of your life and watch things happen in your life that you cannot explain that's GOD **In the Silence You Left Behind** Sumitra Manda, 2025-03-12 *In the Silence You Left Behind* Written for the hearts that break in quiet Not all heartbreaks come with loud goodbyes Some slip away silently leaving you to carry the weight alone This book is for those who loved too much lost too quietly and are still learning how to let go It's for the nights when memories feel heavier than they should and healing seems distant If you've ever sat with your silence hoping it would speak back this book will hold your heart the way you once held theirs **The Left Behind Prequels Collection: The Rising / The Regime / The Rapture** Tim LaHaye, Jerry Jenkins, 2017-07-04 This collection bundles all 3 of the blockbuster *Left Behind Prequels* by Tim LaHaye and Jerry B Jenkins together into one e book for a great value 1 *The Rising* *The Rising* begins a new *Left Behind* series that will give you a glimpse into the lives of your favorite characters before the Rapture Have you ever wondered what life was like before the Rapture for Rayford Irene and Chloe Steele Bruce Barnes

Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series. In *The Rising*, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out. Too young, Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon, Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture. 2 *The Regime*. Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever. 3 *The Rapture*. In this, the final prequel to the blockbuster series, the story features the Rapture three quarters of the way through the book and then follows characters such as Irene and Raymie and others up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture, covering lots of things the authors wished they could have covered in the original volumes, and characters in heaven and how they view the chaotic events on earth.

The Girl He Left Behind Him. A Novel Richard Mounteney Jephson, 1877 **Little Girl Left Behind** Sheena Harrison, 2012-09-13

From the age of three, Sheena Harrison was brought up by her grandmother whilst her own mother, Kathleen, sought work in America. Kathleen later returned for her daughter, but her mother refused to hand her over, saying Sheena had settled into her new home. She left once more for the States, believing that Sheena would be loved, cared for, and kept safe. What she did not know was that Granny Morag would go on to allow, indeed facilitate, the horrific abuse of little Sheena. From the age of four, she was appallingly abused by members of her own family, being little more than a plaything for their perverted desires. Her uncle and others saw abuse as normal, and they raped and assaulted her with impunity. As she entered her teenage years, Sheena became highly promiscuous and also needed medical attention for some of the damage inflicted upon her. In this book, Sheena tells her full story with heart-breaking honesty. It is a story of cruelty and horror, but also one which shows the remarkable resilience of the human spirit. Sheena's experiences are almost unimaginable, and yet she has survived them as a reflective, caring woman who can both forgive and look ahead. It is a story which will make you
