André Elias Mazawi, Michelle Stack

When Do I Apply For 2015 Academic Year At Unza:

Course Syllabi in Faculties of Education André Elias Mazawi,Michelle Stack,2020-06-11 Course Syllabi in Faculties of Education problematizes one of the least researched phenomena in teacher education the design of course syllabi using critical and decolonial approaches This book looks at the struggles that scholars policy makers and educators from a diverse range of countries including Australia Canada India Iran Palestine Qatar Saudi Arabia the USA and Zambia face as they design course syllabi in higher education settings The chapter authors argue that course syllabi are political constructions representing intense sites of struggles over visions of teacher education and visions of society As such they are deeply immersed in what Walter Mignolo calls the geopolitics of knowledge Authors also show how syllabi have become akin to contractual documents that define relations between instructors and students Based on a set of empirically grounded studies that are compared and contrasted the chapters offer a clearer picture of how course syllabi function within distinct socio political economic and historical contexts of practice and teacher education Doctoral Supervision in Southern Africa Kakoma Luneta,Jennie Golding,Hileni M. Kapenda,Patricia Phiri Nalube,2024-01-01 This book offers a unique perspective on doctoral supervision in southern Africa showcasing the potential of scholarly reflection The aim is to share the benefits with a wider audience catalyzing the use of scholarly literature in global doctoral supervision By drawing on the field s literature it fosters informed and systematic reflection to transform supervision With a focus on deep development and affordability this book presents a model that enhances the quality of doctoral graduates It builds on collaborative work and analysis of supervision experiences engaging with key literature and exploring facets of practice Through personal exemplifications authors highlight complexities and commonalities across cultural contexts inspiring systematic improvement in supervision A valuable resource for academics researchers and practitioners involved in doctoral supervision this book provides evidence based insights and creative approaches to pedagogy It encourages the systematic enrichment of doctoral supervisors worldwide Advances and New Perspectives in Higher Education Quality Maria Esteban,Ana B. Bernardo,Elilian Tuero Herrero,Joana R. Casanova,Antonio Cervero,2024-04-22 The changes that have occurred in today s society require Higher Education to be highly efficient in the academic and professional preparation of young people who enter university For that reason universities around the globe have been advocating in recent years for an improvement in the quality of teaching learning processes As an example the World University Consortium 2023 currently presents among its most urgent and priority objectives the identification of the best evaluative practices of the educational processes that are carried out at the University as well as the recognition of the actions aimed at improving educational processes based on scientific evidence In this way it seeks to distinguish all those educational actions that are at the forefront going from actions at the micro level such as individual teaching practices in the classroom such as the application of the flipped classroom or the use of augmented reality up to actions taken at the macro level such as those proposed in the Horizon Europe 2020 strategy
