**When Helping Hurts** Steve Corbett, Brian Fikkert, 2009-06-24 Churches and individual Christians typically have faulty assumptions about the causes of poverty resulting in the use of strategies that do considerable harm to poor people and themselves *When Helping Hurts* provides foundational concepts clearly articulated general principles and relevant applications The result is an effective and holistic ministry to the poor not a truncated gospel A situation is assessed for whether relief rehabilitation or development is the best response to a situation Efforts are characterized by an asset based approach rather than a needs based approach Short term mission efforts are addressed and economic development strategies appropriate for North American and international contexts are presented including microenterprise development

**When Helping Hurts** Steve Corbett, Brian Fikkert, 2014-01-24 With more than 300 000 copies in print *When Helping Hurts* is a paradigm forming contemporary classic on the subject of poverty alleviation and ministry to those in need Emphasizing the poverty of both heart and society this book exposes the need that every person has and how it can be filled The reader is brought to understand that poverty is much more than simply a lack of financial or material resources and that it takes much more than donations and handouts to solve the problem of poverty While this book exposes past and current development efforts that churches have engaged in which unintentionally undermine the people they're trying to help its central point is to provide proven strategies that challenge Christians to help the poor empower themselves Focusing on both North American and Majority World contexts *When Helping Hurts* catalyzes the idea that sustainable change for people living in poverty comes not from the outside in but from the inside out

**Corbett & Brian Fikkert's When Helping Hurts** Everest Media,2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The mission of Jesus was and is to preach the good news of the kingdom of God to say to one and all I am the King of kings and Lord of lords and I am using My power to fix everything that sin has ruined 2 The kingdom of heaven is at hand Jesus came to earth to save us from our sins so that we can go to heaven But his message is much more grand and sweeping than this He is the King who is bringing healing to the entire cosmos 3 The disciples asked Jesus if He was the Messiah and Jesus answered that He was He preached the good news of the kingdom and He showed the good news of the kingdom His deeds were essential to proving that He was the Messiah 4 Many Christians like the pastor of the church Charles grew up in believed that Christianity primarily consisted of keeping one's soul pure by avoiding alcohol drugs and sexual impurity There was little now of the kingdom for them apart from the saving of souls
