When Women Were Birds Fifty Four Variations On Voice:

When Women Were Birds Terry Tempest Williams, 2012-04-10 NATIONAL BESTSELLER A Kansas City Star Best Book of the Year Brilliant meditative and full of surprises wisdom and wonder Ann Lamott author of Imperfect Birds I am leaving you all my journals but you must promise me you won't look at them until after I'm gone This is what Terry Tempest Williams' mother the matriarch of a large Mormon clan in northern Utah told her a week before she died It was a shock to Williams to discover that her mother had kept journals But not as much of a shock as it was to discover that the three shelves of journals were all blank In fifty four short chapters Williams recounts memories of her mother ponders her own faith and contemplates the notion of absence and presence art and in our world When Women Were Birds is a carefully crafted kaleidoscope that keeps turning around the question What does it mean to have a voice

Rachel Carson and Her Sisters Robert K Musil, 2014-04-01 In *Rachel Carson and Her Sisters* Robert K Musil redefines the achievements and legacy of environmental pioneer and scientist Rachel Carson linking her work to a wide network of American women activists and writers and introducing her to a new contemporary audience Rachel Carson was the first American to combine two longstanding but separate strands of American environmentalism the love of nature and a concern for human health Widely known for her 1962 best seller *Silent Spring* Carson is today often perceived as a solitary great woman whose work single handedly launched a modern environmental movement But as Musil demonstrates Carson's life's work drew upon and was supported by already existing movements many led by women in conservation and public health On the fiftieth anniversary of her death this book helps underscore Carson's enduring environmental legacy and brings to life the achievements of women writers and advocates such as Ellen Swallow Richards Dr Alice Hamilton Terry Tempest Williams Sandra Steingraber Devra Davis and Theo Colborn all of whom overcame obstacles to build and lead the modern American environmental movement

Animalities Michael Lundblad, 2017-05-24 New and cutting edge work in animality studies human animal studies and posthumanism Representations of animality continue to proliferate in various kinds of literary and cultural texts This pioneering volume explores the critical interface between animal and animality studies marking out the terrain in relation to twentieth century literature and film The range of texts considered here is intentionally broad answering questions like how do contemporary writers such as Amitav Ghosh Terry Tempest Williams and Indra Sinha help us to think about not only animals but also humans as animals What kinds of creatures are being constructed by contemporary artists such as Patricia Piccinini Alexis Rockman and Michael Pestel How do animalities animate such diverse texts as the poetry of two women publishing under the name of a Michael Field or an early film by Thomas Edison depicting the electrocution of a circus elephant named Topsy Connecting these issues to fields as diverse as environmental studies and ecocriticism queer theory gender studies feminist theory illness and disability studies postcolonial theory and biopolitics the volume also raises further questions about disciplinarity itself while hoping to inspire further work abeyond the human in future interdisciplinary

scholarship Key Features 10 provocative case studies focused on representations and discourses of animals and animality in twentieth and twenty first century literature art and film in English New work from both internationally renowned and emerging figures in the burgeoning fields of animality studies human animal studies and posthumanism suggesting innovative and significant new directions to explore Broad introduction to the kinds of questions scholars in the humanities have considered in relation to animals and animality

Katherine Mansfield's Women Gerri Kimber, Aimee

Gasston, 2025-08-31 Katherine Mansfield's astute eye for power imbalances including those that are gendered is apparent across her fiction Her working life was also fraught with the types of material needs set out by Virginia Woolf in *A Room of One's Own* published after Mansfield's death in 1929 Although the young Mansfield decided she could not be a suffragette in a letter of 17 September 1908 to Garnet Trowell her work often addresses social injustices with portrayals of characters who are hemmed in by circumstance and reaching toward a sense of personal freedom and authenticity This volume comprises a number of essays by Mansfield specialists on the theme of Katherine Mansfield's Women in addition to a diverse range of creative writing and a reassessment of J D Fergusson's enigmatic portrait of a woman titled *Poise* By looking at the place of women in both her personal writings and fiction it explores the textual and cultural aspects of Katherine Mansfield and the female experience in all its contexts

Third Ear Elizabeth Rosner, 2025-09-23 This illuminating book weaves personal

stories of a multilingual upbringing with the latest scientific breakthroughs in interspecies communication to show how the skill of deep listening enhances our curiosity and empathy toward the world around us Third Ear braids together personal narrative with scholarly inquiry to examine the power of listening to build interpersonal empathy and social transformation A daughter of Holocaust survivors Rosner shares stories from growing up in a home where six languages were spoken to interrogate how psychotherapy neurolinguistics and creativity can illuminate the complex ways we are impacted by the sounds and silences of others Drawing on expertise from journalists podcasters performers translators acoustic biologists spiritual leaders composers and educators this hybrid text moves fluidly along a spectrum from molecular to global to reveal how third ear listening can be a collective means for increased understanding and connection to the natural world
