

A photograph of the entrance to Rainbow's End theme park. The most prominent feature is a large, brightly lit sign on the right side. The sign consists of several vertical, tapered columns in the colors of a rainbow: red, orange, yellow, green, blue, and purple. The word "RAINBOW'S" is written in white, blocky letters across the red and orange columns, and the word "END" is written in larger, white, blocky letters across the blue and purple columns. To the left of the sign is a large, shallow pool of water that reflects the colors of the sign. In the background, there is a modern building with a flat roof and several circular windows. A group of people is standing in front of the building. The sky is clear and blue.

Where Rainbows End:

Where Rainbows End Cecelia Ahern,2004 From naughty children to rebellious teenagers Rosie and Alex have stuck by each other through thick and thin But just as they're discovering the joys of teenage nights on the town and dating disasters they're separated Alex's family moves from Dublin to America and Alex goes with them For good Rosie's lost without her best friend But on the eve of her departure to join Alex in Boston Rosie gets news that will change her life forever and keep her at home in Ireland Their magical connection sees them through the ups and downs of each other's lives but neither of them knows whether their friendship can really survive the years and miles as well as new relationships And at the back of Rosie's mind is whether they were meant to be more than just good friends all along Misunderstandings circumstances and sheer bad luck have kept them out of each other's arms but when presented with the ultimate opportunity will they gamble everything including their friendship for true love Destiny Alex and Rosie discover is a funny thing and fate isn't quite done with them yet

Love, Rosie Cecelia Ahern,2005-02-01 The basis for the motion picture starring Lily Collins and Sam Claflin What happens when two people who are meant to be together can't seem to get it right Rosie and Alex are destined for each other and everyone seems to know it but them Best friends since childhood they are separated as teenagers when Alex and his family relocate from Dublin to Boston Like two ships always passing in the night Rosie and Alex stay friends and though years pass the two remain firmly attached via emails and letters Heartbroken they learn to live without each other But destiny is a funny thing and in this novel of several missed opportunities Rosie and Alex learn that fate isn't quite done with them yet

Where Rainbows End Cecelia Ahern,Cecelia,2005 **Love, Rosie** Cecelia Ahern,2006-12-01 Now in paperback the delightfully enchanting novel about what happens when two people who are meant to be together just can't seem to get it right Cecelia Ahern has done it again When Rosie Dunne was published in February readers from coast to coast devoured this enchanting novel It became the romantic book of the season and the numbers prove it More than 85 000 copies have been sold to date While Rosie and Alex are exchanging e-mails letters notes and a trail of missed opportunities readers nationwide enjoyed the book passing it on to friends and recommending it to strangers Now in paperback this delightful story will enchant even more readers proving that everything is coming up Rosie

Where Rainbows End Mike Ortiz,1970 Where Rainbows Rest Evelyn Everett-Green,1922 **A River On Fire** Jasvinder Sharma,2008-08-09 This bouquet of short stories presents a true to life picture of the society before us Instead of an imagined world the storyteller through these stories offers a slice of life a down to earth scenario in which the reader finds himself involved unknowingly The writer having a good understanding of basic human feelings brings them out dexterously in these tales on divergent issues These fine tumultuous powerful and heartfelt sagas are not just stories these are experiences Reading them the reader does not remain solely an observer he becomes a part of them the stories open a world of fallacy malice and maladjustment and take him directly to it This is the world that is already known to him but he very often chooses to close his eyes to it

Brimming with unlikely and colourful characters the tales offer a fine blend of irony and humanity with some of them replete with heart warming humour the world of the storyteller has the fullness of human psyche with its dreams passions awe and wonder Despite the ambience of fantasy hardcore realism quandaries and predicament underline his stories
