News Writing and Reporting: A Strategic Approach to Storytelling Chris R. Vaccaro,2024-08-22 With a focus on how the modern newsroom runs and operates News Writing and Reporting A Strategic Approach to Storytelling prepares students to become successful journalists in today s competitive news industry Author Chris Vaccaro applies an audience centered and business minded approach discusses emerging media trends and guides students through strategic thought in multiplatform reporting and storytelling The book offers practical career tips interviews with reporters and full career and product development guides while each chapter concludes with strategies and writing exercises to equip students with tactics for planning structuring and editing content across various platforms **The Art of Investigation Revisited** Chelsea A. Binns,Bruce Sackman,2023-09-13 The Art of Investigation Revisited Practical Tips from the Experts examines the qual ities required to be a professional thorough and effective investigator and is a follow up to the authors highly touted book The Art of Investigation 2019 This book features a wholly new line up of investigators

experienced professionals in the field who delve into the soft skills that make an investigator effective Each chapter examines a specific quality required to be a professional thorough and most importantly successful in this challenging discipline The editors and contributing authors are all top in their field and bring a wealth of real world knowledge and experience to the subject While several publications exist on the procedures and steps of an investigation few books cover the creative and intuitive skills required Such traits are necessary to continually question in the face of investigative roadblocks unique qualities endemic to an inquisitive mind that can be trained to improve an investigator s professional skill set Each chapter discusses the applicability of the traits and requirements to the contributor s own work and experience as an investigator In doing so the contributors will provide valuable stories from their personal experience which demonstrates their use or a given trait and its importance in the course of their investigative work and career The case examples included throughout are engaging and as is often the case surprising An investigator must keep an open mind above all else and this book seeks to lift the veil on the inner workings of an investigation and the thought process and inner monologue of an investigator as part of that process The book is a welcome addition to any investigator s toolkit and is also of interest to students in criminal justice security and Homeland Security programs security consultants corporate and private security professionals and the legal community

The Groston Rules Mark Binder, 2020-11-08 THE GROSTON RULES is an edgy book for high school readers. With suspenseful twists and turns, it is a captivating and lighthearted high school tale about teens in trouble surviving high school through their strong friendships. Adults, young adults, and mature teens won't be able to put it down because the story is as much about teen survival and unschooling as it is a young adult coming-of-age tale rife with dark humor, teen comedy, fuck ups, and the occasional raunchy teen story. It's a fast-paced laugh-out-loud book that teenagers will actually read. A naughty high school teen comedy that you can't put down. All they wanted was to get high and graduate. Isaac, Adam, Helen, Charlie, Sean, Jesus, and Rover had planned on coasting through their final semester at Ashby Bryson High. Get stoned, play video games, get into college, and get the hell out of Groston. Instead, the shit kept hitting the fan over and over and over again. Fights, floods, freezes. And then school got shut down. So they threw the rules out the window and made up their own. The very first novel to be serialized on Spotify. Advance Praise for THE GROSTON RULES: A group of high schoolers deals with mishaps and disasters six months before graduation in this coming-of-age novel. Immensely likable characters on an enthralling and entertaining journey. Kirkus Reviews.
