My Long Journey Home Richard A. Williams, 2022-08-05 A coming of age true story about adjusting to everyday life when the dream of playing professional baseball is cut short Go on an intimate journey through the eyes of a former minor league baseball player and his discovery of self worth faith and redemption As far as Rick Williams was concerned being drafted out of high school by the Atlanta Braves was the realization of his dream and the solution to every problem He could leave behind his turbulent home life in the California High Desert and focus on the game he grew up loving But when baseball was ripped away he could never have prepared for the massive void it left in his life and the pain that would define him and his future No matter how hard he tried drugs partying womanizing or Hollywood life nothing could fill the emptiness inside Only after decades of struggling with crippling fear anxiety and broken relationships would Rick finally discover a greater power and purpose along his journey home This inspiring story will speak to anyone who has struggled with THE END OF A SPORTS CAREER RELATIONSHIPS SELF WORTH FAILURE FEAR AND ANXIETY ACCEPTANCE **Greatness**

Don Yaeger, 2011-10-24 GREATNESS is a motivational book whose target audience is found in business and self help It is a life book aimed at inspiring others to achieve their personal and professional best Opening with an in depth discussion of the nature of Greatness what it is what it is not and why it is worth pursuing each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years This will be followed by a discussion and other related examples There are also practical tips and plans for assisting the reader in implementing new habits routines practices and philosophies of Greatness into his or her daily life As each characteristic is outlined the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons As Don often says during his speeches Though these characteristics are culled from some of the greatest winners in sports not a single one requires you to be able to touch your toes These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness You don't have to be good at sports heck you don't even have to like sports to benefit from their lessons It is the strong belief of those who Don has talked to over the years that greatness is available to all of us Not in the same way or on the same field mind you But we all have the capacity to achieve greatness if we'll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS **Broadcasting & Cable** , 2009-03 **Building the Case: How Lawyers are Leading on Sustainability**
