The Student Loan Mess Joel Best,Eric Best,2014-05-02 This

illuminating investigation uncovers the full dimensions of the student loan disaster A father and son team one a best selling sociologist the other a former banker and current quantitative researcher probes how we've reached the point at which student loan debt now exceeding 1 trillion and predicted to reach 2 trillion by 2020 threatens to become the sequel to the mortgage meltdown In spite of their good intentions Americans have allowed concerns about deadbeat students crushing debt exploitative for profit colleges and changing attitudes about the purpose of college education to blind them to a growing crisis With college costs climbing faster than the cost of living how can access to higher education remain a central part of the American dream With more than half of college students carrying an average debt of 27 000 at graduation what are the prospects for young adults in the current economy Examining how we've arrived at and how we might extricate ourselves from this grave social problem The Student Loan Mess is a must read for everyone concerned about the future of American education Hard facts about the student loan crisis Student loan debt is rising by more than 100 billion every year Among recent college students who are supposed to be repaying their loans more than a third are delinquent Because student loans cannot be discharged through bankruptcy the federal government misleadingly treats student loan debt as a government asset Higher default rates spiraling college costs and proposals for more generous terms for student borrowers make it increasingly likely that student loan policies will eventually cost taxpayers hundreds of billions of dollars Destroy Your Student Loan Debt Anthony O'Neal, 2020-04-07 You don't have to spend decades paying off your student loans You can destroy your debt fast and live a life of freedom You've been lied to there's no such thing as good debt Debt sucks Period And that includes student loan debt No matter what you believed or were told when you took out your loans you need to get serious about getting rid of your debt fast because it's costing you more than you know That's why bestselling author Anthony O'Neal wrote this motivating 64 page Quick Read to show you why you need to dump your debt fast and how to do it If you have student loan debt and have never heard of Ramsey Solutions or the 7 Baby Steps this 64 page Quick Read is for you Anthony will walk you step by step through Baby Steps 1 and 2 to show you how to dump your debt forever You'll learn The ugly truth about how debt hurts you The importance of an emergency fund and how to budget Baby Step 1 The power of the debt snowball Baby Step 2 Exactly what to do to pay off your student loans faster How to control your money so it doesn't control you You'll also hear stories from real people about how they paid off their debt fast You don't need relief from your debt you need to get mad at it Because the truth is when you get mad enough you can pay off your loans faster than you ever thought possible and take control of your money and your life for good Don't let anything stand in the way of your future This plan has helped millions get out of debt and you're next You can do this Ramsey Press The College Student's Guide to Paying Off Your College Loan Steven Needham, 2012-03-02 ABOUT THE BOOK Graduation from college is a time of joy and relief but for those saddled with student loan debt it can also be a time of fear and trepidation Students get a six month grace period before they're required to start paying their loans but this will pass quickly so it is a good idea to start planning how

to pay off your student loans as soon as possible The good news is student loan debt is one of the best kinds of debt to have It carries a low interest rate and there are many different payment plans that can be utilized in order to pay down the debt The most important thing to remember is that it is very important to address student debt and not ignore your student loan payments The loan companies have many different programs to help you reduce your debt and avoid accruing more interest but it is vital that you stay in touch with these companies so that they understand your unique financial situation When you get a new job or lose a job the terms of your student loan payment agreements will change accordingly Anytime you have a major life change you will need to consider how it will affect the repayment of your student loans EXCERPT FROM THE BOOK There are also some programs that offer student loan forgiveness When a student loan is forgiven a portion or all of the debt amount is wiped clean and you are no longer required to pay Some student loan forgiveness programs are based on the type of career that you have Teaching Programs If you owe on Stafford student loans you can teach full time for five consecutive years in a low income public school and you may be eligible to have a portion of your loan cancelled This program is set up to encourage graduates to utilize their skills in improving the American public school system You can find out more about this forgiveness program on the Federal Student Aid Website on their Stafford Loan Forgiveness Program for Teachers page Buy a copy to keep reading
