The Big Time Calvin Johnson:

The Big Time: Calvin Johnson Valerie Bodden,2014-10-07 An elementary introduction to the life work and popularity of Calvin Johnson a professional football star wide receiver for the Detroit Lions who is known as Megatron *Calvin Johnson* Valerie Bodden,2015 An elementary introduction to the life work and popularity of Calvin Johnson a professional football star wide receiver for the Detroit Lions who is known as Megatron **Calvin Johnson: the Inspiring Story of One of Football's Greatest Wide Receivers** Clayton Geoffreys,2016-05-17 Learn the Inspiring Story of the Detroit Lions Legendary Star Calvin Johnson Read on your PC Mac smartphone tablet or Kindle device In Calvin Johnson The Inspiring Story of One of Football's Greatest Wide Receivers you will learn the inspirational story of one of football's premier wide receivers Calvin Johnson Since joining the NFL as the 2nd overall pick in the 2007 NFL Draft Calvin Johnson has solidified his legacy as one of the most impressive wide receivers to ever play the game holding the Lions franchise records for most receiving touchdowns in a single season most receiving touchdowns in an overall career and most receiving yards in a career His retirement from professional football after nine seasons marks the end of nearly a decade of dominance by Johnson While Calvin Johnson may now be retired from professional football his legacy remains one of sheer brilliance In this book we'll explore Calvin's journey into the NFL his greatest moments and what makes him one of the greatest wide receiver to ever play the game Here is a preview of what is inside this book Childhood and Early Years High School Football College Football Calvin Johnson's NFL Career Johnson's Retirement from the NFL How Johnson Compares to All Time Greatest Receivers Johnson's Charitable Work Personal Life Johnson's Overall Legacy An excerpt from the book There are only so many athletes in professional sports who some experts might call freaks of nature The Detroit Lions have had two of them in their franchise history The first was Barry Sanders who ran from 1989 to 1998 and collected more than 15 000 rushing yards He had retired near the prime of his career not long after having a season with 2 053 yards and 11 touchdowns in the 1997 season Back then some people wondered why he would leave professional football while still showing signs of being one of the best running backs that were playing at the time Many people felt it was because the franchise only went to the playoffs five times with just one win that sent the Lions to the NFC Championship Detroit would have another chance of having another freak of nature athlete that would prove to be arguably the best wide receiver the NFL has ever seen It all started in 2007 when Calvin Johnson Jr would enter the league with a lot of attention coming out of Georgia Institute of Technology better known as Georgia Tech as a junior and many thought he was the top prospect in the 2007 NFL Draft It took some time but Johnson would become a target for the Lions who many would describe as a total package that started with having the size that made him tower over the defending cornerbacks and safeties around the league he was six foot five weighed just under 240 pounds and had colossal hands But unlike most men his height and size Johnson was faster than with a 40 yard dash time of under 4 4 seconds It was no surprise that he was a genuinely special kind of athlete which many of his coaches would say publicly

including Jim Schwartz a former head coach who had a chance to work with Johnson during his first playoff run in 2011 But it was also noticed by other coaches like Chan Gailey who commented that Johnson was a bigger and faster player than anyone else he had ever played with whether it was in high school college or even in the NFL It was a total mismatch Gailey said Tags calvin johnson bio calvin johnson football detroit lions football matthew stafford dez bryant marshawn lynch golden tate larry fitzgerald [Game of My Life Detroit Lions](#) Paula Pasche,2015-10-27 It was Thanksgiving Day 1962 The Detroit Lions handed Green Bay its only loss during the Packers championship season But the Lions didn t just beat Vince Lombardi s team they sacked All Pro quarterback Bart Starr a league record eleven times All Pro defensive lineman Roger Brown recorded six of those sacks and he describes this most memorable game in Game of My Life Detroit Lions Since their founding as the Portsmouth Spartans in 1929 the Detroit Lions have carried the hearts and souls of some of the NFL s most loyal fans Now supporters of this storied franchise will go into the locker room and onto the turf with over twenty Lions legends in Game of My Life Detroit Lions Sportswriter Paula Pasche opens the doors to players private remembrances of how it was and how they reacted to the spotlight Readers will hear tales from Hall of Famers Pro Bowlers and fan favorites such as Charlie Sanders Mel Farr Shaun Robinson Doug English and so many more Within these pages Detroit gridiron greats offer glimpses of the National Football League in the 1950s the 1960s and right up through the present day More than fifty years of Lions experience is represented in this collection of tales told by the men who lived through some of the most memorable moments in franchise history Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home [**What Winners Won't Tell You**](#) Malcolm Jenkins,2024-10-08 As a two time Super Bowl champion three time Pro Bowler first round draft pick and former Jim Thorpe Award recipient Malcolm Jenkins knows a thing or two about winning Over the course of his thirteen year NFL career the now retired defensive back s triumphs extend beyond that on the football field As a successful entrepreneur he has seen the blossoming of his business ventures with an eponymous company Malcolm Inc and a media conglomerate called Listen Up Media As a philanthropist he strives to make a positive difference in the lives of young people in underserved communities through The Malcolm Jenkins Foundation And as the father of two daughters he understands the challenges of loving his children and preparing them for an often unkind and hostile world But for every triumph there is a tragedy for every loss a lesson In What Winners Won t Tell

You Jenkins shares the insight he's gained from winning and losing alike. One moment Jenkins is riding high from being the only NFL player to have Super Bowl victories against Hall of Fame quarterbacks Peyton Manning and Tom Brady and then he's navigating the harrowing low of a divorce from the mother of his children. In another moment he's advocating for the advances of Black people in America and then feuding publicly about the direction of this advocacy. Providing fans and readers alike with an intimate portrayal of life on and off the field, detailed breakdowns of his great moments against the game's premiere players and poignant reflections about what it means to straddle the narrow line between victory and defeat. This thoughtful memoir, *Kirkus Reviews*, is the best kept secret for those who want to know what it takes to be a champion.
