decision to appoint Wheeler as a Volunteer General was based on political expediency and not on ability The second approach involved the examination of General Wheeler s primary documents and their interpretations of his participation in the war Results of this research showed the following 1 Joseph Wheeler s involvement in the Spanish American War hastened the healing of North South wounds 2 Wheeler s involvement in the overall scheme of the war was more than token and 3 Wheeler was perceived as an American hero by all regions after the war *The Blue and the Gray* Christopher Bensch, Munson-Williams-Proctor Institute.
