**Priyambudi Sulistiyanto**

## **The Burma Road To Poverty:**

*The Burma Road to Poverty* Mya Maung, 1991-08-30 Although political upheavals and mass killings in the Socialist Republic of Burma Myanmar have received a great deal of international attention scholars and journalists until now have failed to identify the unique underlying factors that produced this situation and helped to maintain military dictatorship under Ne Win's successors Mya Maung looks into the deeper sources of Burmese behavior focusing on the ancient tradition of sacred despotic rule the undermining of social and cultural life during the British colonial period and the impact of conflicting cultural realities on a Communist military elite whose attempts to reinstate absolute authority compounded their gross mismanagement of economic development Maung presents an overview of the contradictions and biases expressed by writers both foreign and Burmese who have attempted to understand the Burmese and their country's recent history He next describes a traditional society in which authoritarian rule existed side by side with a marked degree of social freedom and egalitarianism Maung discusses the far reaching impact of colonialism the transition to independence the Socialist military takeover and the progressive repression and economic failures that led ultimately to economic collapse Maung concludes with an examination of Burma's potential for utilizing its resources effectively and developing a stable economy in the transition to capitalism Based on field research hundreds of interviews and Maung's firsthand knowledge of Burmese culture this analysis contributes a balanced perspective and new information crucial to our understanding of a society that has been largely closed to outsiders for more than two decades

## **The Burma Road to Capitalism** Mya Maung, 1998-08-27

In light of recent debates and studies on what political scientists call developmental authoritarianism and what some economists consider the East Asian model of economic growth this book analyzes and evaluates Burma's economic performance under military management It considers the relationship between democracy and economic growth especially the thesis advanced by Asian authoritarian leaders that sociopolitical stability and discipline must be established as a prerequisite to economic development Based upon empirical and historical facts the book shows that the present military regime's denial of democracy to the people and its ostentatious economic reforms have not promoted real economic growth and human development in Burma That regime the State Law and Order Restoration Council SLORC consists of poorly educated power driven rulers The book underscores that Burma's lack of economic development despite its rich natural resources lies in the regime's misuse of both human capital and those natural resources They have depressed the country's social capability for past present and future economic development

## **Burma's Economy in the Twentieth Century** Ian Brown, 2013-11-07

An incomparable introduction to Burma's political and economic history written by one of the premier economic historians of Southeast Asia

*Economic Disparity in Rural Myanmar* Ikuko Okamoto, 2008-01-01 Market liberalization in Myanmar began in 1988 and had some unanticipated consequences As farmers began to operate in a context with greatly reduced government control there was an explosion in the production of green gram which became extremely popular as an export crop However market

liberalization in the industry surrounding this new export oriented crop gave rise to growing economic disparities largely determined by access to land capital and credit Ikuko Okamoto explores these issues through a detailed case study of Thongwa Township a place east of Yangon Rangoon in the major green gram producing region in the country She shows that farmers responded quickly to policy changes and made maximum use of new opportunities even in a country where socialist policies had previously limited such opportunities She also traces the consequences for different social groups in rural Myanmar and shows that traders benefited the most from the new arrangements and landless laborers the least Her research offers important insights into the transition from a socialist to a market based economy and local level responses to market incentives It also shows that the success or failure of new crops in a peasant economy largely depends on whether the crop is compatible with the initial resource endowment

*Myanmar (Burma) since 1962: the Failure of Development* Peter John

Perry,2021-02-27 Why has Myanmar Burma a country rich in resources rice timber minerals descended to least developed country status Is the explanation to be found inside Burma or beyond Is the failure of development due to political authoritarianism and conflict Or perhaps the drugs trade is partly to blame This book contends that all these factors have contributed But it also maintains that the mismanagement of the country s resources is of equal or even greater importance A clear answer to the question of Burma s developmental failure is sought by focussing upon the misuse of resources in concert with those factors that are more usually emphasized

*Globalization and Human Rights in the Developing World*

Derrick M. Nault,Shawn L. England,2011-07-12 Focusing on world regions where human rights abuses are the most serious extensive and sustained this book fills a crucial gap in our knowledge of the difficulties and promise of promoting human rights in our global age

*Political Corruption and Political Geography* Peter J. Perry,2018-12-20 First published 1997 this

volume examines the way in which political corruption remains neglected as a matter of scholarly enquiry and research There is still a powerful and traditional taboo which is quite out of the step with the topic s real world significance and the increasing attention it receives from serious sections of the media The book aims by systematic exposition and case study to break down that taboo and to demonstrate the topic s importance within a framework provided by the discipline of geography The novelty of the book is then that it considers a formerly unconsidered factor corruption as part of the world s geography as both part of the geographical context in which human activity takes place and as a spatially variable condition explicable at least in part in terms of other geographies The conclusion is that much geographical scholarship ignores this factor at the risk of its credibility

**The Far East and Australasia 2003** Europa Publications,2002 A unique survey of

each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume

*Thailand, Indonesia and Burma in Comparative Perspective* Priyambudi Sulistiyanto,2002 This

comparative examination of the political economy of contemporary Thailand Indonesia and Burma presents case studies of these countries during the periods of economic boom and examines the causes and political consequences of economic crisis

The book is suitable for students academics and researchers interested in Southeast Asian politics and those studying comparative politics and international political economy The Burmanization of Myanmar's Muslims Jean A. Berlie,2008

## **The Burma Road To Poverty Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Burma Road To Poverty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Burma Road To Poverty has opened up a world of possibilities. Downloading The Burma Road To Poverty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go.

Moreover, the cost-effective nature of downloading The Burma Road To Poverty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Burma Road To Poverty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Burma Road To Poverty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Burma Road To Poverty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Burma Road To Poverty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About The Burma Road To Poverty Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Burma Road To Poverty is one of the best book in our library for free trial. We provide copy of The Burma Road To Poverty in digital format, so the resources that you find are reliable.
